The Indiana Federation of Clubs

1921-1922

OFFICIAL REPORT OF
THIRTY-SECOND ANNUAL CONVENTION
OCTOBER 19, 20, 21, 1921
MUNCIE

Compiled by
MRS. MYRA STEWART GORDON
Recording Secretary

Incorporated February 16, 1915

THE UNION OF ALL FOR THE GOOD OF ALL

The Indiana Union of Literary Clubs (organized 1890) and the Indiana State Federation of Women's Clubs (organized 1900) united under the name of the Indiana State Federation of Clubs, October 13, 1906. Admitted to the General Federation of Women's Clubs, December 13, 1916. Name changed to Indiana Federation of Clubs at Richmond Convention, 1910. It was decided in 1916 that the date of the beginning of Federated Club work in the State (1890) should be recognized.

COLLECT FOR CLUB WOMEN.

Keep us, O God, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face without self-pity, and without prejudice.

May we never be hasty in judgment and always generous.

Teach us to put into action our better impulses, straightforward and unafraid.

Let us take time for all things; make us grow calm, serene and gentle.

Grant that we may realize it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and to know the great common woman's heart of us all; and O Lord God, let us not forget to be kind.

MARY STUART.

GREETINGS.

Mrs W. J. Torrance.

Here is your year book. It is for study and has taken hours of unpaid labor to prepare it, but courteously and sympathetically receive it and there will be banners floating in your heart over the work of the past year.

Tenderly accept this year book for study and be possessed of the forward urge that seeks to multiply and transmute values into higher worth and still build for the future.

This Year Book is the property of the Club to which it is sent.

SUGGESTIONS FOR LOCAL CLUBS.

DUES: Dues are payable January 1st, and should be promptly remitted to Mrs. Charles P. Drummond, 944 Riverside Drive, South Bend. No club, whose dues are unpaid, shall have representation in the annual convention.

YEAR BOOKS. Club Year Books should be sent to Miss Mary Orvis, Chairman of the Reciprocity Committee, 319 N. Penna. St., Indianapolis.

Additional copies of the Federation Year Book may be obtained from the Recording Secretary, Mrs. Myra Stewart Gordon, 1515 Broadway, Logansport. Price 25 cents.

BULLETIN: Club women should subscribe for and read the Indiana Federation of Clubs Bulletin, which is the medium of speech for the Club Women of Indiana. Subscription price is Fifty Cents a year, and subscriptions should be sent to Mrs. H. J. Otto, 1101 Upper 3rd St., Evansville.

CLUB PROGRAMS: Clubs may avail themselves of the resources of Indiana University through our Reciprocity Committee, of which Miss Mary Orvis, 319 N. Penn St., Indianapolis, is Chairman. Likewise, the resources of Purdue University may be utilized through our Conservation Department, of which Miss Mary L. Matthews, Purdue University, Lafayette, is Chairman.

IMPORTANT NOTICE.

- League of Women Voters, Mrs. A. T. Cox, East Chicago.

GENERAL FEDERATION OF WOMAN'S CLUBS

Dear Club Women of Indiana:

To nations as to individuals there come great tides of opportunities. Such a crisis is upon us now in this swiftly moving world, where all forces for good and evil are rushing toward each other in continual turmoil. When we fear upheavals, let us remember that the danger is not so much from revolutionaries as from our own sluggishness and inertia. Right-thinking and well-wishing people are in the majority, but when they are silent we are in danger of minority rule. If such groups as we represent—sane, public spirited, all-American—stand together and push, our country will come through all its dangers. That is why our organization is so much more than the mere word “organization” sounds. It is an opportunity to create and maintain active and saving energies. We must so readjust our national budget that our money shall go to the things that create life and not to the things that destroy it—to education, to economic readjustments, to public health, to justice. And above all, we must swing America back to her high idealism. We must create the kind of citizenship that makes of government a living structure—the natural expression of the soul of a people.

Faithfully yours,

(Mrs. Thomas G. Winter) ALICE AMES WINTER.

GENERAL FEDERATION OF WOMAN'S CLUBS OFFICERS

President

MRS. THOMAS G. WINTER, 2617 Dean Boulevard, Minneapolis, Minn.

First Vice-President

MRS. W. S. JENNINGS, 1845 Main St., Jacksonville, Fla.

Music.

Memorial Hour, Miss Charity Dye.

Presentation of Gavel.

Report of Election Board.

Presentation of New Officials.

Address.....Mr. V. K. Beshgator

Child Welfare.....Mrs. Albion Fellows Bacon

Adjournment.

MINUTES OF THE THIRTY-SECOND ANNUAL CONVENTION OF I. F. C.

Held in Muncie, Oct. 19-21, 1921.

Wednesday, Oct. 19th, 1921

A meeting of the Executive Committee was held in the Roberts Hotel, Muncie, Wednesday at 10:30 a. m., with the president, Mrs. Rumppler, in the chair. The following members were present: Mesdames Rumppler, Grimes, Phillips, Cox, Drummond, Riddle, Zeller, Hinkle, Pittinger, Gordon, Miss Newsom. The minutes of the previous meetings were read and approved. Mrs. Drummond, treasurer, gave her report: Total cash on hand, \$2,587.80. A motion was made by Mrs. Phillips and seconded by Mrs. Riddle that Mrs. Barrett, chairman of the local committee, secure badges of ribbon for the convention delegates. Motion carried. A motion was made by Miss Newsom and seconded by Mrs. Zeller that 500 badges be printed. Motion carried.

Motion made by Miss Newsom and seconded by Mrs. Hinkle that the State Federation Endowment Committee be discharged at the end of the Convention, and their names no longer appear in the year book. Motion carried. A motion was made by Miss Newsom and seconded by Mrs. Phillips that the registration of delegates close at 9:00 o'clock Friday morning. Motion carried.

The president requested Mrs. Hinkle to find Mrs. Barrett and present her to the Board so that we might ascertain what steps she had taken to procure a stenographer to take the proceedings of the Convention. Mrs. Barrett was presented and reported that under the direction of Mrs. Morris, one of the Trustees, she engaged Miss Ida O. Miller. Mrs. Barrett was then instructed to phone Miss Miller to ascertain whether she had had any communication with Mrs. Perkins, also to learn Miss Miller's price. Mrs. Barrett reported that Miss Miller had communicated with Mrs. Perkins and her price was \$10.00 per day; 50 cents per hundred words digest, or ten cents per hundred words verbatim. A motion was made by Mrs. Riddle and seconded by Mrs. Zeller that we ask Miss Miller to appear before the Board for a better understanding. Motion carried.

Mrs. Phillips presented the following amendment to Art. VII, Sec. 5, of the Constitution: In case of vacancy in any elective office, the Executive Committee shall fill the same by appointment for the regular term of office. A motion made by Mrs. Hinkle and seconded by Mrs. Grimes that this amendment be presented on the floor of the Convention to be voted upon.

Motion carried. Miss Ida Miller, stenographer, was then presented to the Board. She gave the following explanation: \$10.00 per day means for all sessions including evening session. Digest means what individuals say in substance. Verbatim means word for word as the individual speaks. Transcriptions of all proceedings of the Convention would be from \$25.00 to \$700.00. A motion was made by Mrs. Phillips and seconded by Mrs. Zeller that we reconsider the motion to engage a stenographer for all sessions. Motion carried. A motion was made by Mrs. Pittinger and seconded by Mrs. Hinkle that we engage this stenographer for the Council this afternoon and the last half of Thursday morning for the amendments to the Constitution. The proceedings on these occasions to be taken verbatim. Motion carried. No other business, the Committee adjourned.

MRS. RUMPLER, President,
MRS. MYRA S. GORDON, Rec. Sec.

COUNCIL MEETING

Wednesday Afternoon, October 19, 1921

Mrs. E. C. Rumppler, Presiding

MRS. RUMPLER:

This is the council meeting of the Federation. It is a time when we talk things over, when everybody has a right to take part in the discussions. The members are officers of the Federation, district and county chairmen and the presidents of the clubs, but the discussion is open to anyone. We are going to give two hours to talking about things that are of interest to the clubs.

Two years ago a resolution was passed that a committee should be appointed to purchase and maintain the Fauntleroy Home at New Harmony, the birthplace of the club movement in the world. The first club, the Minerva Club, of New Harmony, was organized in September, 1859. The house has been kept in good repair. A committee was appointed by the Federation to find out all the things that are in the Home that are of value and bring to the convention their recommendations. They brought the recommendations and presented the resolution which was adopted. The committee was to continue under the new president; the only change that was made was that Mrs. Moore's name was added to the committee since she had appointed the committee to investigate. This was the committee:

Mrs. E. C. Rumppler, Indianapolis.

Mrs. O. M. Welborn, Princeton.

Mrs. James P. Goodrich, Winchester.

Mrs. Elizabeth Claypool Earl, Connorsville.

Mrs. Grace Julian Clarke, Indianapolis.

Mrs. A. J. Dillon, Rochester.

Mrs. John Edward Moore, Kokomo.
Mrs. F. M. Hostetter, Evansville.

The incoming president took it for granted that this committee would function as all other committees were supposed to do. In April, 1920, the president called a meeting of the committee, which was attended by a small percentage of members. It was voted that the president should be the chairman of the Fauntleroy Home committee, as she would be visiting the clubs of the state. Mrs. Rumples was elected chairman and Mrs. F. M. Hostetter, Evansville, secretary-treasurer. It was also voted that a letter should be sent to every club in the State, requesting each Club to give not less than \$1.00 per member; the price of the Home was \$10,000.00 and we had 20,000 club members in the State. The first \$10,000.00 should be used to purchase the Home and the other to maintain it. The plan was workable, and had it been worked the Home would be ours today, but somebody did not respond, and I am tempted to quote the song, "Was that somebody you?" Nevertheless, here we are. We have spent two years. Naturally the president could not give her entire time to the Fauntleroy Home. We are now ready to begin a new administration.

We have had several meetings of the Fauntleroy Home committee, but as I say, the president was handicapped by having two jobs.

I am going to ask Mrs. Hostetter, "What shall we do about the Fauntleroy Home? Are we going to continue to raise the money and maintain it, or shall we stop right now and return the money to those who have contributed? Those are the two alternatives. Remember you have the right to express your opinion. Do not wait until after it is over and then say, "I think this should not be done." The decision will not be made today, but on Friday. Do not sit quiet; if you are in favor of going on, say so; and if not, say so.

Mrs. Hostetter, how much money have you in hand?

MRS. HOSTETTER:

Madam Chairman and Ladies: Some time before our district convention in 1919 it was suggested that we put the question of purchasing the Home before our First District Chairman, Mrs. E. H. Lacke. Mrs. Lacke appointed a committee from our district taking one member from each of our counties, making seven people, with me as chairman. I asked that Mrs. Bacon, Mrs. Torrance and Mrs. Sol Hammer be appointed local council of the Home.

We met right after the convention of 1919 and in that meeting we talked. The next month or so we went to New Harmony and had a representative number. We called in a responsible real estate man. We asked how much money we should ask for the Home and in the Old Tavern Hotel we deter-

mined not less than \$10,000. Miss Fauntleroy said she had put \$6,500.00 in the Home, which included not only the Home but the contents. We had about four meetings in the Fauntleroy Home.

I have collected through difficulty \$1,009.46; we have had to pay legitimate expenses of \$47.18, which, taken out of that, leaves \$962.28, in the bank today.

MRS. RUMPLER:

The chairman would like to know if you wish a limit of time on the talks this afternoon.

MRS. EARL:

I think we should leave it open for any individual to speak a second time.

MRS. RUMPLER:

This is the most important matter that comes before the convention. Let us have full discussion.

MRS. BACON (Evansville):

As a member of that first committee, I want to say that the \$6,500 does not include the furniture. She had been offered \$2,000.00 for the wonderful old rose wood piano alone. We talked of giving her \$1,500.00 and Miss Mary was ready to let it go at that. Mrs. Donald is here from New Harmony.

MRS. DONALD (New Harmony):

I hope I will not talk too long—you must call time on me. You must remember that I am an old neighbor and friend of Miss Fauntleroy, and I feel that I know so much about the little ins and outs of this question. It is with a feeling of reverence that I rise to speak of the old Fauntleroy home. Miss Fauntleroy, who has come into possession of this old home, has preserved it as the original home and history. There is running water on both floors, and she has beautified its appearance. Among the famous men and women who have lived there are Robert Owen, Thomas Say, Oliver Evans, the inventor, and Robert Fauntleroy. Many of you are familiar with some of them.

There are a number of pieces of antique furniture; a mahogany library table, a Chickering piano which is of rose wood and hand carved. She has been offered \$2,000.00 by one man for it and in a city where there would be others to bid, there is no limit that would be paid for it, where there are men with money who want such things. There is a mirror three hundred years old, a secretary two hundred years old; tables that are one hundred and one hundred fifty years old; furniture, furnishings and draperies in good condition, and all tell a story of ancestry and tradition that money can seldom buy.

Some say it is inaccessible. I will grant that it is hard to reach New Harmony by train, but we have splendid gravel roads and we will soon be connected with the State Highway of Indiana.

There are nine rooms in this house besides the bath, the front porch and an enclosed back porch. It is in good condition with modern conveniences.

Visitors come in great numbers and on the register you will see names from Norway, Newfoundland and Sweden, and every State in this Union. The fame of this Home is not confined to the State of Indiana.

Miss Fauntleroy is not young and her health is not good and when the time comes that she will answer the one last call her home will be broken up.

Do we club women, while we have this opportunity, want to make this priceless possession ours, or let this home which is so beautiful and historic go from our hands?

In speaking of visitors, I want to stop and say that any one can drive up to her house and go all through her home. They can come dragging all over her rugs, her floors and I will say there is an average of thirty-five or more people who go all over the house and the ask all kinds of questions; they come, take up her time and go all over her house and go over these things. This strain has told on her. We should determine whether or not we are going to take possession of this home or whether she is to be free to dispose of it some other way. Anytime there is any delegation of importance in any of the neighboring towns, they do not hesitate to call up and say, "May we go all over your home?" I think that might be a mighty hard life to lead. I think I could answer any reasonable question and I will be glad to do it, but I want to ask you, "Are we going to take the home or are we not?"

MRS. GRACE JULIAN CLARKE:

In the first place I should like to say a word in excuse or explanation of the action of the committee. The committee as appointed has not shown up in a very favorable light. We did not do the work that was expected of us. The husbands of two members of this committee were stricken with serious illness—Mr. Dillon and Mr. Hostetter. The husband of Mrs. Moore has continued so ill that Mrs. Moore could not do it. Mrs. Rumpler had her hands too full. Mrs. Earl went away for a number of months. I was summoned to one meeting and I was out of town at the time. At the end of the year nothing was said about the committee being continued or being re-appointed, and I know that some did not understand that they were still on the committee.

One letter was sent out and there was no second letter. There was no district committee. We feel that the field has

not been worked. We know of clubs that are ready to give and one club has \$300.00. I think there is no question in anybody's mind that we were going to purchase the Fauntleroy Home.

We voted two years ago to purchase the old Fauntleroy Home. So far as I know the Federation has never failed to do what it said it would do. But as we did agree to do this, it seems to me that there is every reason in the world why our organization ought to do it.

The Home was built by the followers of George Rapp.

That old home with solid timbers 10 inches thick, hickory, oak and walnut. This old home was not only built by the Rappities, but it was the home of some of the most interesting men that ever served our country: eminent Thomas Say, the naturalist; Robert Fauntleroy, Robert Owen and Richard Owen, the brilliant sons of a more brilliant father. It was the last home of Robert Dale Owen, where his wife Mary passed away. If you have been there you have been shown Aunt Mary's room, and Aunt Mary's mirrors, and one of those mirrors is three hundred years old. This old home is filled with relics. Miss Fauntleroy has been offered \$2,000 for the piano. There is the old secretary, the old four-poster bed, the Robert Owen bed and mahogany tables beautifully carved. There are treasures that would be eagerly taken over by New York and Philadelphia collectors. But she has gathered in treasures that had formerly belonged to former residents of that home. All of these go with this house. This house is worth much more than \$10,000.00. In Irvington a little bit of a house sold for \$12,000.00. The walls are thick. It is a well built house. Here is this little old house, built for ages that we can purchase for \$10,000, and we not only get the house but all the treasures in it.

I think Mrs. Donald spoke of the real sacrifices that Miss Fauntleroy has suffered during the past two years. Every day ten, twenty and sometimes fifty and sixty people visit that old home of Minerva in New Harmony. The people come from the four corners of the world to visit it. Miss Fauntleroy has been unable to enjoy her life because women and men from all over the country have had a great curiosity to see what the old Fauntleroy home is and they have gone away so satisfied and full of commendation because we had agreed to purchase this old home. But I feel that by purchasing this old home, by fulfilling our pledged word, we will be in relation once more with the finer things of life and the best things in this life are not the things that include the price in dollars and cents.

Again we can emphasize our place in the higher things in life. We shall secure a higher place in the eyes of the people of the State. You saw that the Daughters of the American Revolution considered the subject when brought before them in their recent meeting; other organizations have taken a very keen interest in this movement.

The Indianapolis Woman's Club has made a contribution and every other club will be glad to do its part.

I feel there is only one thing to do, to keep our feet in the path where they are set, not only for ourselves but for the State and for posterity.

MRS. McWHIRTER:

It was worth the trip to this pretty town to hear the speeches that have been made. I am so sure that every woman who is a member of a club is glad that she lives in this State.

The first woman's club with a written constitution was organized in the little home now called the Fauntleroy Home. If that house were on the soil of one of our eastern states it would have been claimed by the women of the Federation long before now. We are no less interested and appreciative. Look back to the day when women sat around a table in one of our little towns, where people lived, came together and organized the first woman's club that was organized in the world. We are going to own that home. There is not a club in the state but that wants to contribute to the buying of that home, and we are going to do it. Many individuals are willing to contribute. Four hundred and fifty women will give \$20.00 apiece, and if not that many there are men at home that would be glad to put their part in for the purchase of that home. The Federation of the State, women of power, intellect and ability, will serve as a board of trustees or in some other place to maintain that home. The number of people who pass through that house weekly give the answer why we should make it ours. It is a duty, I believe, not only to my daughters and your daughters, but the young women who come after us, as an appreciation of the work that has been done in the past. The Fauntleroy Home will be bought. It will be owned by the State Federation of Women's Clubs and not by the State Historical Society.

MRS. DEAM, of Bluffton:

I also feel it is our duty and there is no question but that we will buy it. It is a duty to the unborn generations. New Harmony is the place where the first public school was held in the Union—not in Indiana, the first kindergarten, the place where the first co-educational effort was made. I talked to our club about it before I came and they are ready to give their quota and more, and I know we are going to give for posterity.

MRS. PIELEMEIER (Vincennes):

We are neighbors of New Harmony. We were so glad to have this question before us and we have been saying, "Hurry up and get it 'cause somebody else might get it and we want it." I am sure the Fortnightly Club will send its quota.

MRS. ZELLER (Fifth District Chairman):

I was not with you last year at your meeting and have not seen you for some time, but all of you well remember that it was a pleasure of mine to second the motion to buy the Fauntleroy Home. After Miss Fauntleroy made her impressive plea the motion was almost lost for the want of a second.

Just a word of the influence that was brought to bear upon those of us who have entered this Home. It is impossible to go through this town of New Harmony without having your soul stirred. I have learned more history of Indiana today than I have in all my life put together. Mrs. Davis made the pledge for the City Federation; we pledged at the time \$300.00,—the City Federation of Brazil.

MRS. ELIZABETH CLAYPOOL EARL (Muncie):

My speech has been made. At the same time I want to reiterate some of the things which have been said.

We cannot afford to allow this to pass. We must buy it. Now as I see it all that is the matter (and I have met women from various parts of the State) is the lack of publicity. They do not know about it. There has been no organization and if you have ever raised money over a large area, you know one thing, there has to be an organization.

This Home is a great Mecca for many reasons, especially to club women. We have a great honor in our State and we ought to be so proud of this opportunity. There are many who are outside of our organization who want to be a part of it and we should give them the chance. It is simply a matter of going to them and presenting the facts.

No one has spoken of the library. There are books in there that are priceless.

It would be a dishonor to us to go back on our pledge made two years ago. As a Federation, let us be unanimous on this subject on Friday.

Think of Kentucky giving \$50,000.00 for a farm on which a potato could not be raised just because a song was written there. Women made Mt. Vernon possible. Think of what that is. I think we will get the East to come out here and see what this Club Home is.

MRS. BACON:

When we buy this home we are getting all of New Harmony. This was the home of culture and the best people.

MRS. JOHNSTON (Richmond):

I know a great deal more of the Fauntleroy Home than I knew about this Home before I came into this room. I am astonished that women have to be informed about this home. I spent three months this summer seeing the things that somebody has preserved. A thing of beauty is a joy forever. Its loveliness increases. It cannot pass into nothing.

We do not have in our country any organization to make, create and preserve beauties for us; no church to make our beauties for us. If we have any beauty in America, we will have it because we take care of it. We, the men and women of America, are responsible for very much more than is required of the men and women in the old country. This is a test—where the club women are able to meet this responsibility and do a beautiful thing for the people who come after us in this wonderful work.

MRS. RUMPLER:

This is a council meeting, not an executive meeting. It is open for all discussions on this subject.

MRS. HINKLE (Vincennes):

I did not know that New Harmony possessed such treasures. I had heard that many who went there were disappointed. When I saw the Home from the outside I was disappointed. When I saw the birth place of the club movement of the world, I thought that while the club women are interested in preserving things of interest they want to preserve their own history. When I think New Harmony is going to be visited by the tourists of the world, I think the club women want to preserve that home. This is our home. Let us preserve it.

MISS VIDA NEWSOM:

Having made two visits to this old home myself, I agree with Mrs. Hostetter and Mrs. Zellar, that you cannot go into that Home without your soul being stirred. If every woman could go into that Home, it would not take long to get her dollar or their several dollars.

Our State has not been in the place it should be historically. If you read the Indiana Magazine of History, it tells of some relic that has been taken to some other State and that is the very thing that will happen to this Home if we do not take care of it. The relics will be taken out of the State.

I am not in favor of giving up the ship. I never could think that we should give up this work. I am in favor of the sentiment of every other speaker who has spoken here this afternoon.

MRS. RIDDLE (Lawrenceburg):

I should not miss this opportunity to say that this Home has no money value. It is a dishonor to consider any money value. This is the greatest relic in Indiana. Let me say that we must get that money, and that we give one rising vote and say we will preserve this home.

MRS. HOSTETTER:

Just to show how our inactivity has tied Miss Fauntleroy, she does not know whether to pay the insurance, whether to

tear down the barn or rent it if she can. It ties her up in every way.

MRS. TORRANCE:

Where is she who can figure the cost if the vision is destroyed, who can make us dream again. The State is feminine, we always speak of it as "her." She has a different personality than any other State in the Union. This little home is a part of that personality.

MRS. RUMPLER:

If we raise \$1.00 per capita, we will have a maintenance fund. The contract stipulates that Miss Fauntleroy shall live there for two years after the purchase which would relieve us of the cost of a curator.

MRS. COX:

I would like to ask Mrs. Donald what the fire protection is in New Harmony.

MRS. DONALD:

I asked a real estate man just a few days before I left and he told me that he would easily place \$7,000.00 on the house.

MRS. COX:

I asked the means of fire protection.

MRS. DONALD:

We do not have city water works, but we have cisterns, that are scattered about over the town, and we use those.

MRS. COX:

Does the real estate man guarantee to insure this place for \$7,000?

MRS. DONALD:

I did not pin him down, but I asked him this question and he told Miss Fauntleroy that.

MRS. COX:

I would like to ask the chairman if the resolution which was passed binds the Indiana Federation of Clubs to the purchase of this Home?

MRS. RUMPLER:

This resolution was passed Thursday morning of the Convention, 1919. Will the secretary please find record in minutes of 1919 Convention?

MRS. HOUCK (Greencastle):

I supposed that the money was almost raised. I thought we were the only ones that had done nothing.

MRS. MALETT (Springport):

Would the \$7,000 insurance cover the contents?

MRS. RUMPLER:

Mrs. Mallett asks the question whether the \$7,000 would cover the furniture in the house. The suggestion comes that we could get more insurance than the \$7,000.

MRS. DONALD:

Some pamphlets of questions and answers show that the Minerva Club had painted some pictures; please see that they are left here.

MRS. KAIL (Poseyville):

I wonder if we can fail. We raised \$7,085 to improve our civic conditions.

MRS. DEAM:

I do hope that we will never let any man help raise this money.

MRS. HOSTETTER:

The Sorosis Club was the first club to subscribe and we did not stop until it was written into the minutes that the Minerva Club should be preserved.

MRS. RUMPLER:

The Minerva Club was the first club that had officers and kept minutes.

MRS. LITTLE (Goodland):

I want you to realize that the Tenth District is not against the Fauntleroy Home. We are for it and we had a splendid paper read and we even asked that that be made a part of our Minutes and we who live there and have our hearts there are willing to do our part.

MRS. RICHARD ELBEL (South Bend):

Our chairman has visited South Bend and has made stirring appeals for the work, and while we have not started we hold \$160 for this fund, which is only a small amount. We were under the impression that we were not going to buy or that an option had been cancelled. We are waiting for further information.

MRS. GORDON:

There is no resolution recorded in the Minutes. Mrs. F. M. Hostetter

The record is in the 1920 year book.

MRS. RUMPLER:

I had a letter the other day from Evansville which contains a special statement about the Fauntleroy Home. I went to New Harmony December 6th, 1920, to talk over the matter of raising the money to pay for the Fauntleroy Home. Mrs. Chappelle went with me. We spent the day in Miss Fauntleroy's home. It was a blue dismal day. I felt like Brutus who had stabbed Caesar, and I actually felt that I had taken a frail woman by the throat but I had to tell the truth, and I think that was the beginning of the nerve racking days of Miss Fauntleroy. Some change has taken place in the First District women. This letter was sent to Mrs. Chappelle recently:

"If the State Committee approves the plan of using pledge cards, so arranged that they will be legally binding in the Fauntleroy Home campaign, the First District will furnish not to exceed 25,000 cards to be distributed throughout the State."

MRS. SHAKE (Vincennes):

Two years ago I heard of the Fauntleroy Home. I heard nothing for another year. But after I became county chairman, my curiosity was aroused; but last week knowing that this meeting was to be held I went to New Harmony. I went as a matter of courtesy. I went at one o'clock Sunday noon. There were six people on the outside and twenty people on the inside. How women hesitate to purchase the Home I cannot understand.

The D. A. R. at Vincennes raised \$10,000 to purchase the armory. I came here fully convinced that it was a great privilege to vote for the Fauntleroy Home.

MRS. RUMPLER:

The secretary has just called my attention to the report of the Fauntleroy Home Committee.

Quoting from the report of the Fauntleroy Home Committee two years ago this month:

"Resolution: That the Federation of Clubs undertake the purchase and maintenance of the old Fauntleroy Home and that the president appoint a committee to consider and perfect plans for carrying out the above project.

"MRS. JAMES P. GOODRICH, Chairman,

"MRS. A. J. DILLON,

"MRS. ELIZABETH CLAYPOOL EARL,

"MRS. GRACE JULIAN CLARKE."

I know that resolution passed. If it is not in the minutes it is an error. Those minutes have been approved and have been for two years.

MRS. TAYLOR (Ft. Wayne):

It was because of this resolution that when I had occasion to address a number of clubs I told them the hub of the universe

had been changed to Indiana. Please make my words good because I supposed it had truly been purchased.

MRS. LEES (Hartford City):

I cannot understand why this money has not been raised. We have just completed a local campaign of \$4,800.00 without difficulty.

MRS. JACKSON:

Our Federation must be right. If we make a promise we must keep it. I move that the minutes be re-opened and that the correction be made.

MRS. RUMPLER:

That is a legislative matter. At this time we cannot enact any legislative business. This is a council meeting only. Is it your desire that the minutes shall be opened and the matter of the passing of the resolution be made a matter of record in the Federation records?

MRS. JACKSON: Yes.

Moved and seconded that the question of reopening the minutes be presented on Friday morning.

MRS. RUMPLER:

The motion is carried and will be so recorded, the question must be presented in the regular session when the report of the Fauntleroy Home comes on Friday morning.

MRS. BATES (Richmond):

I have been active in the clubs of Ohio and Pennsylvania and I have never attended a council meeting where everybody seemed of the same opinion. Shall we buy the Fauntleroy Home? How shall we do it? I am sure the chairman will take care of that and we will all help her when she gets to it.

MRS. RUMPLER:

According to the program we have spent 1¾ hours on this subject, and we have fifteen minutes for discussing the other topic, "Shall the Indiana Federation of Clubs have a definite policy for the next year?"

Wednesday, 8:15 P. M.

Convention met at the Roberts Hotel at 8:15 with Mrs. John S. Peterson, chairman of the Eighth District, presiding. Music throughout the evening was furnished by members of the Matinee Musicale of Muncie. Invocation by Dr. Heber D. Ketcham, pastor of High Street Methodist Church. Mr. Chas. A. Grafton, President of the Muncie Chamber of Commerce, was unable to be present to give the Address of Welcome.

An address of Welcome was given by Mrs. E. W. Barrett and the Response by Mrs. Jesse W. Riddle, First Vice-President of I. F. C. Address by Mrs. E. C. Rumpler, President of the Indiana Federation of Clubs. The following who were in attendance at the Council of G. F. W. C. then gave reports: Mrs. Edward Franklin White, upon Departments of Work; Mrs. William M. Zeller, upon State Day and Indiana at the Council; Miss Vida Newsom, Social Side; Mrs. Felix McWhirter, the Council an Annual Meeting?

Convention adjourned.

Thursday Morning, Oct. 20th.

Convention opened at 8:45 a. m. in the High Street M. E. Church. After repeating the Club Collect, the Program was presented by Mrs. W. C. Smith, Chairman of the Program Committee. Then followed the reports of the Officers: First Vice-President, Mrs. Jesse W. Riddle; Second Vice-President, Mrs. O. M. Pittinger; Recording Secretary, Mrs. Myra S. Gordon; Corresponding Secretary, Mrs. Samuel M. Grimes; Treasurer, Mrs. Chas. P. Drummond; General Federation Director, Miss Vida Newsom. In the absence of Mrs. S. E. Perkins, Mrs. W. A. Morris, a trustee, gave the report.

President, Mrs. E. C. Rumpler.

A motion was made by Mrs. Zeller and seconded by Mrs. Miller that these reports be accepted and placed upon the minutes as proceedings of the Convention. Motion carried. Mrs. Riddle then took the chair and called for all the District Chairmen to take their seats on the platform. The reports were then given in their order.

- I. In the absence of Mrs. O. M. Welborn, Mrs. Mary Steel read the report.
- II. Mrs. H. D. Hinkle.
- III. Mrs. T. J. Brooks.
- IV. Mrs. John F. Goddard.
- V. Mrs. William Zeller.
- VI. Mrs. Harry Dalbey.
- VII. Mrs. John Downing Johnson.
- VIII. Mrs. John S. Peterson.
- IX. Mrs. J. T. Boyer was not present. Mrs. John Moore gave a verbal report.
- X. Mrs. Harry Little.
- XI. Mrs. Edwin F. Miller.
- XII. Mrs. Frank Park, absent; no report.
- XIII. Mrs. Geo. Phillips.

A motion was made by Miss Newsom and seconded by Mrs. Smith that these reports be accepted. Motion carried.

The Recording Secretary read the proceedings of the Wednesday session, which were accepted. The Amendments to the

Constitution were read by Mrs. Cox. A motion was made by Mrs. Zoercher and seconded by Mrs. Bates that we vote upon these amendments in sections. Motion carried.

The first amendment to Art. IV. Sec. 1. The following sentence to be added: "These officers shall constitute the Executive Committee." A motion was made by Miss Newsom and seconded by Mrs. Saunders that this amendment be adopted. Motion carried. Art. IV. Sec. 2 shall now read: "These officers together with the Department Chairman and the District Chairman shall constitute the Board of Directors. A motion was made by Mrs. Boruff and seconded by Mrs. Oakland that this section be adopted. No vote taken. The question was raised concerning the duties of the Board of Directors and the Executive Committee which resulted in a motion being made by Mrs. Cox and seconded by Mrs. Moore that final action be postponed and a committee be appointed by the chair to define the duties of the Board of Directors, the Executive Committee and the Council. A motion was made by Mrs. Smith and seconded by Mrs. Hinkle that the remainder of the amendments be postponed until to-morrow morning. Motion carried.

We then proceeded to the nomination of officers. A motion was made by Mrs. Smith and seconded by Mrs. Moore that the time limit be one minute for nominating speeches. Motion carried. Upon motion there were to be no second speeches. Nominations for president are as follows: Mrs. E. W. Barrett, Muncie; Mrs. Ella Baggott Kerher, Anderson; Mrs. O. M. Pittinger, Indianapolis; Mrs. W. J. Torrance, Evansville. Upon motion the nominations were closed. Mrs. Barrett's name was withdrawn at her own request.

Nominations for Second Vice-President are as follows: Mrs. Wm. Zeller, Brazil; Mrs. Edward Wilson, Ft. Wayne.

The president declared the nominations closed.

Nominations for Corresponding Secretary: Mrs. Frank Sheehan, Gary.

Upon motion the nominations were closed. Mrs. Chas. P. Drummond, of South Bend, who had been appointed by the Executive Committee to fill the unexpired term of Mrs. Culbertson resigned, was nominated for Treasurer. Upon motion the nomination was closed. General Federation Director, Mrs. E. C. Rumpler. Mrs. Thos. Winter, president of G. F. W. C., then took the chair and by a rising vote Mrs. Rumpler was unanimously nominated. Trustee, Mrs. A. J. Dillon, Rochester. Mrs. Dillon was unanimously nominated by a rising vote. Upon motion the nominations were closed. Convention adjourned for luncheon.

Thursday, 2:00 P. M.

The President called the Convention to order at 2:00 p. m. and appointed the following committee to define the duties of the Board of Directors, the Executive Committee and the Coun-

cil: Mrs. Zoercher, Mrs. Cox and Mrs. Gordon. There being vacancies on the Resolution Committee and upon the Election Board, the President appointed the following to take the place of the absentees: Resolution—Miss Emily Goldthwaite, Marion; Mrs. A. J. Clark; Indianapolis; Election Board—Mrs. Eli Myers, Elwood; Mrs. Lee Hirley, Mount Vernon; Mrs. Curtis Shake, Vincennes; Mrs. Smith, Fifth District, and Mrs. Stunkard, of the Fifth District. Mrs. Blanche Foster Boruff, Chairman of the Department of Education, then took charge of the session and read an excellent paper on her work. She introduced the following, who gave reports from this Department: Mrs. Curtis Hodges, Public Schools. Mrs. Jas. Wilson was absent, but Mrs. Boruff read her report on Literature. Mrs. Edward Franklin White also was absent and her report on Political Science was read by Mrs. Boruff. We then enjoyed a most excellent address upon Art by Mrs. Rose V. S. Berry, Berkeley, Cal., Chairman of "Fine Arts" Department of G. F. W. C. Mrs. Boruff introduced Mrs. Thomas G. Winter, President of G. F. W. C., who gave a short talk. She had spoken in twenty-four States. Others giving reports were as follows: Miss Margaret Wade, Chairman of Library Extension; Mrs. E. W. Barrett, Chairman of History. Miss Lillian Berry was not present but her report on Americanization was read by Mrs. Boruff. Mrs. G. M. Henderson, Chairman of Thrift, was absent and Mrs. Clark of the Seventh District read her report. Mrs. Boruff introduced Mrs. Marx Oberndorfer, Chicago, Chairman of Music of the G. F. W. C., who gave a most excellent address upon Music. Convention adjourned.

The Federation dinner was held in the Roberts Hotel at 6:15. Mrs. E. C. Rumpler, presiding. Invocation was given by Mrs. L. L. Case, past President of the Federated Clubs of Muncie and Delaware County. Beautiful vocal solos were rendered during the course of the dinner by Mrs. Alfred Kilgore and Mr. Valentine Hahn, of Muncie.

Thursday Evening.

The Convention was called to order at 8:15 in the High Street Methodist Church by the President. The session opened with Community singing. Mrs. Rumpler then introduced Mrs. Thos. G. Winter, President of G. F. W. C., who gave us a wonderful and inspiring address upon "This Moving World." At the request of Mrs. Rumpler, Mrs. Berry gave a description of three pictures. Convention adjourned.

Friday Morning.

Convention opened at 9:00 with Mrs. Rumpler, President, in chair. Minutes of previous day were read and with some alterations were adopted. The nominees for office were then

called to the platform and presented to the Convention. Mrs. O. M. Pittinger, Second Vice-President by virtue of her office, being Chairman of Federation Extension, gave a report. Upon motion the report was accepted. Mrs. David Ross gave a report upon Motion Pictures, which was accepted. At this time the President presented our Honorary President, Mrs. Virginia C. Meredith to the Convention. Mrs. Rumpier read the following message: "To the officers and members of the Indiana State Federation of Clubs, The Exchange Club extends greetings and felicitations to the I. F. C. (Incorrigible Female Contingent or Independence Finally Captured) and good wishes for an interesting and fruitful convention and the hope that each delegate and visitor will carry home pleasant recollections of the meeting and the gracious hospitality of Muncie while guests within the gates of our City." Muncie, Ind., Oct 20th, 1921.

Mrs. John Paul Ragsdale, Chairman of the Committee on the Bulletin, was unable to be present and her report was read by the Recording Secretary. Upon motion the report was adopted. The report of the Credential Committee was called for, but they asked for more time. The Recording Secretary read the report from the chairman of the Twelfth District, which had been mailed to her. Upon motion it was accepted. Mrs. Zoercher gave a report of the special committee appointed by the President, consisting of Mrs. Zoercher, Mrs. Cox and Mrs. Gordon, concerning the duties of the Executive Committee, Board of Directors and Council. A motion was made by Mrs. Perkins and seconded by Mrs. Torrance that this report be accepted and referred to the committee on the Amendments to the Constitution for action. Miss Vida Newsom, Chairman of the Endowment Fund, gave a final report. A rising vote of thanks was given this Committee for their hard work in raising this money. Mrs. E. K. Montgomery, Chairman of the "Co-operative for the Blind," was not present. The report was read by the Recording Secretary. Mrs. A. W. Roach, chairman of the Credential Committee, gave her report, which was accepted. The report showed a total of four hundred and ten officers and delegates present. The President then instructed Mrs. Roach to notify the Election Board that the polls are open and will remain open until three o'clock p. m. Mrs. Cox then preceeded with the amendments. The following is taken verbatim by our stenographer:

BUSINESS CONCERNING AMENDMENTS TO CONSTITUTION AND BY-LAWS OF THE FEDERATION

Morning Session, Friday, Oct. 21st, 1921.

Mrs. Gordon read the minutes of Thursday, Oct. 20th, in which it stated that the first amendment was passed.

At the President's request, Mrs. Cox took the floor with the amendments as proposed to the Constitution and By-Laws, which she read and which were discussed and acted upon as follows:

Section 2, Art. 4 reads at presnt as follows: "These officers, together with the District Chairman, shall constitute the Executive Committee."

Amendment: Insert words "Department Chairman and the" after the word "the" in the first line and by striking out the words "Executive Committee" and substituting the words "Board of Directors."

Mrs. Sanders moved the two amendments be adopted. Mrs. Will Stinson, of Terre Haute, seconded the motion. The motion was carried.

Section 8, Art. 4, at present reads as follows: "No person shall hold more than one office in the Federation at the same time and no officer shall be eligible to the same office for more than one term." Amendment—the following sentence shall be added to Sec. 8, Art. 4: "No person shall serve on the Executive Committee for more than six consecutive years, provided this section shall not apply to the General Federation Director."

When the question was called for Mrs. Moore arose to ask the question, "Is that as it now reads in the Constitution correct?" The answer was: "It is not. On page 27 of the Year Book where the amendments were presented at the last convention it reads as follows: 'No person shall hold more than office in the State Federation at the same time, and no officer excepting the Trustees shall be eligible for re-election.' In putting it in the Constitution that word Trustees was omitted."

Miss Goldthwait moved that section 8, article 4 be amended and that the amendment be adopted as read. Mrs. Hinkle seconded it. In the discussion Mrs. Meredith arose and said: "It is difficult to amend a Constitution and get it to hang together. I think it is extremely dangerous to accept such amendments as this. This amendment may be all right, but it is not all right until it has been examined critically by a committee. I am opposed to this amendment."

Mrs. Perkins arose and said: "It seems unwise to eliminate from the franchise one whose service is valuable for if it is left open to their constituents to decide to change the office, it is their privilege to oppose the election."

Mrs. Cox pointed out that as this amendment was not presented to the committee 30 days before action, the passage would have to be unanimous.

The question was called for, the vote taken and the motion was lost.

Art. 4 proposed the addition of Sec. 10 reads as follows: "No person shall be eligible to the office of First Vice-President who has not served as District Chairman." This means placing

in office chairmen of District Chairman only people who have had experience as District Chairman We think it is not logical that a woman be made supervisor over thirteen women having had no experience with the work.

Mrs. Perkins moved the amendment be adopted.

Mrs. Brooks seconded it.

When the discussion was called for Miss Newsom arose and said, "If this applies to the First Vice-President, it should apply to the President also, as she has a great deal to do with the District Chairman."

Mrs. Nicholas arose and said: "At the present time with the interest the women are taking in the District affairs it is quite possible to procure a most excellent person for the place who has never served as District Chairman. I think this is a dangerous thing to do." Mrs. Perkins arose and said: "The President needs all the help she can get. If she may have a First Vice-President who is trained in her work it takes a burden off her shoulders."

Mrs. O'Flynn, of Vincennes, arose and said: "You would never have a Superintendent of schools who would not require the Superintendent of the grades to help him. In that office it is very necessary that good assistance be given by the supervisors. Supervisors ought to know their work."

Mrs. Rice arose and said: "If a woman is capable and interested in the work it would not take her long to learn the work."

Mrs. Cox asked the question, "Of whom would she learn her duties?" Mrs. Rice answered, "She would have the data in front of her and could learn."

Mrs. Cox: "The data furnished by district chairmen."

Mrs. Rice: "It would not then take her long to learn."

* * * arose and said: "A woman who has been interested in club work for 15 years could step into a district chairman's place on a minute's notice if she has been interested in her club work."

Mrs. Moore arose and said: "It is a help to the President to have a First Vice-President who is the Supervisor of the district chairmen and who knows her duties well and does her work well. She should be a district chairman."

* * * "I hold that it is in the woman. You might elect a district chairman who was not a good woman for the place."

* * * "I feel that I have studied and know a little about this as the Tenth District Secretary. I do not feel like seeing a woman who could fill the place eliminated."

The President stated "That if the motion was lost we will continue to elect the first Vice-President as usual. It is possible, however, to elect a woman who has been a district chairman."

The question was called, the vote taken and the motion was lost. Report of the Committee which was appointed to assign the duties of the Council. The Executive Committee which formulated the proposed amendment to Art. 2, Section 1 of the By-Laws found on page 152 of the year book, which at present reads as follows: "The duty of the Executive Committee shall be to approve all committees and to establish such standing committees as in its judgment is deemed wise. To transact routine business between annual meetings and to report in full the business of the Executive Committee at each annual meeting of the Federation."

The only vital change as stated by the amendment is that the Executive Committee shall determine and announce the policies of the Federation.

Mrs. Meyers, of Crawfordsville, moved the amendment be adopted. Mrs. Bates, of Richmond, seconded it. The question was called for, the vote taken and the motion was carried. The amendment was adopted.

Mrs. Saunders moved that there be an additional section with the duties of the Board of Directors. The section covering this point having had no Directors. Art III, Sec. 1, to read: "The Board of Directors shall through the various committees promote the policies determined upon by the Executive Committee."

Mrs. Perkins seconded it, that the amendment be adopted. The motion was carried.

Duties of the Council: Art. 3 of the By-Laws, section 1, on page 152 of the Year Book, at present reads as follows: "The Council shall consider such matters as shall be presented by affiliated clubs or district federations. Its functions shall be advisory, the chief purpose being to bring the individual clubs in closer touch with one another and with the Federation."

The proposed amendment is as follows: "The Council shall consider such matters as shall be presented by affiliated clubs or District Federations recommending to the Executive Committee such as may be deemed advisable."

The purpose of the committee in this amendment was to insure to the small clubs that the Executive Committee that is to formulate the policies should hear from the people back home before they formulate any policies. The Council should state the policies, the Executive Committee decide upon them, the Board of Directors carry them out. The question was asked, "Of whom is the Council composed?" Sec. 4, Art. 4, page 149 was given as answer.

Miss Hawk, of Greencastle, made the motion.

Mrs. Bates, of Richmond, seconded it. The motion was carried.

The president stated that "We have now created an Executive Committee and a Board of Directors and have outlined their duties as well as those of the Council."

Sec. 2, Art. 6, "Meeting times of organizations," now reads as follows: "The Executive Committee shall meet upon the call of the President or three members thereof."

Amendment reads as follows: "The Executive Committee should meet monthly and the Board of Directors at least four times a year."

Mrs. Bates, of Richmond, moved that the amendment be adopted. Mrs. Lowden, of Bloomington, seconded the motion. The discussion was called for and Miss Newsom arose and said, "I am unable to see the advisability of compelling the Executive Committee to meet once a month. I am opposed to this amendment."

Mrs. Moore arose and said: "I think the officers in the far away parts of the State should be considered in passing this amendment. It is an expensive thing from Gary and South Bend to come to Indianapolis twelve times a year and pay all their expenses. We ought to consider that in passing the amendment." The question was asked: "Does this committee need to meet in Indianapolis every time?" Answer: "It usually does because it is the most central place." The question was called for, the vote taken and the motion was lost. Mrs. Meredith moved that Sec. 2, Art. 6 of the Constitution be amended by adding that the Executive Committee shall meet quarterly and the Board of Directors shall meet upon the call of the President or three members thereof.

Mrs. Saunders seconded the motion.

When the discussion was called for, Mrs. Zoercher arose and said: "Does the three members thereof mean the three members of the Board of Directors or the Executive Committee?" Answer: "It should be the three members of the Executive Committee." The question was called for but the motion was lost, because it was not unanimous, the motion coming from the floor and not being presented thirty days previous to the convention.

The President pointed out that it was quite possible for some woman to make the motion that the Board of Directors and the Executive Committee meet four times a year. Someone made the motion that the Board of Directors and Executive Committee should meet quarterly. Mrs. Hauk suggested a change. The Executive Committee should meet quarterly and the Board of Directors at the call of the President or three members thereof. The maker of the first motion accepted the change also the second to the motion, Mrs. Doudy. The motion was carried. The President then stated that the time of the meetings of the Board of Directors and the Executive Committee was settled. The next amendment came from the floor and the President called attention to the fact that the acceptance must be unanimous.

It was proposed by Mrs. Phillips to amend Art. 7, Sec. 5, which reads at present as follows: "In case of vacancy in any elective office the Executive Committee shall fill the same by appointment until the next annual meeting. We propose to amend that by saying, "In case of vacancy in any elective office the Executive Committee shall fill the same by appointment for the regular term of office." Mrs. Saunders seconded the motion. Mrs. Phillips asked a change of words "unexpired" for "regular." The author of the motion agreed. The motion was carried.

Amendment by Mrs. Myra S. Gordon—Section 2, Art. 1 of the By-Laws, which reads as follows at present (page 151, Year Book): "The Vice-Presidents in the order of their election shall preside in the absence of the President. The First Vice-President shall be Chairman of the District Chairman. The Second Vice-President shall be chairman of the Club Extension." It is proposed to add the following words after the words "District Chairman," "and shall preside at the meeting of the Board of Directors." Mrs. Rice, of Lafayette, moved that this be adopted. Mrs. Stewart, of Greencastle, seconded the motion. The motion was carried.

The President asked if the committee should be authorized to omit and insert the words "Board of Directors" wherever it was necessary to make the constitution harmonious. It was taken by consent. Mrs. Meredith asked if it was taken by consent that this committee, Mrs. Gordon and Mrs. Cox, prepare the amendments for the Year Book. Mrs. Cox asked for additions to the committee. The chair asked for permission to continue the committee. It was taken by consent.

Last amendment—Art. 7, Sec. 1 reads at present as follows (page 150, Year Book): "All elections shall take place at the annual convention. Officers shall be elected for two years. The President, Second Vice-President, Corresponding Secretary and General Federation Director shall be elected at the Conventions to be held in the odd years of the calendar. The First Vice-President, Treasurer and Recording Secretary shall be elected at the convention held in the even years. The Trustees shall be elected for a term of three years; one shall be elected annually. The club year shall begin Jan. 1st, and all officers shall enter upon their duties Jan. 1st, following the election." Amendment—The last sentence shall be changed as follows: "The club year shall begin the day following the close of the annual convention and all officers shall enter upon their duties at that time."

The President asked the question, "What will you do with this amendment?" Mrs. Dalby moved that it be accepted. Mrs. Morgan, of Indianapolis, seconded the motion.

The President asked Mrs. Pittinger to take the chair. Then the President as a member from the floor said: "The President elected in October takes her place Jan. 1st; for two months

you have two Presidents neither one of whom can do anything. The outgoing one feels she cannot initiate any of her policies. The incoming President cannot accept any invitations to visit organizations or initiate any of her own policies because she is not yet President. Two months of the year you are without a President. I am making these remarks that no one will feel in voting for the amendment they are cutting short my term." The President then called for the discussion. Mrs. Burnett arose and said: "I feel that it is very true that one is handicapped in the work as it stands now. Departments are all handicapped." Mrs. Moore arose and said: "All the President says is very true. Officers should take their offices on election. District meetings are held in the spring. District Chairmen do not begin to work until fall." Mrs. Meyers arose and said: "Committees to be most effective should be appointed immediately upon the election of the officers. They could then do more effective work."

Mrs. Millett then arose and suggested that this same plan be suggested to the National Government, pointing out the difficulty confronting the present President, because Mr. Wilson would not vacate office just following Mr. Harding's election. Someone suggested that if the District Chairman came on at the same time as the State Chairman came on it would simplify matters. The question was called, the vote taken and the motion was carried.

Section 4, Art. 4 now reads: "The Club year shall begin Jan. 1st." The amendment as proposed shall read: "The Club year shall begin the day following the close of the annual Convention."

* * * moved its adoption. Mrs. Johnson, of Indianapolis, seconded the motion. Motion was carried.

Section 1, Art. 6 (page 149 of the Year Book) reads at present as follows: "The annual convention of the Indiana Federation of Clubs shall be held at the time and place selected by the Federation at the previous Convention." The proposed amendment is to read as follows: "The next State Convention of the Indiana Federation of Clubs shall be held May of 1923 and annually thereafter in the same month at a place to be selected by the Executive Committee."

Mrs. Burnett, of Indianapolis, moved this amendment be adopted. Mrs. Perkins seconded the motion. The President then called for the discussion. Mrs. Ogg arose and said: "If our Convention is held in May it is the time of house cleaning. It is the time of Commencements in High Schools and Colleges. It is time for country women to be making garden. It is also the end of the Club year. We are then going on our vacations. When the Convention is held in the fall our clubs have the inspiration of this Convention the whole year." Mrs. Stewart arose and said: "I am full of the inspiration of this Convention.

Had it come in May I would have had but one meeting in which to present this inspiration" Again the President asked Mrs. Pittinger to take the chair. Then the President, speaking as one from the floor, said: "I am not concerned about house cleaning. I have been to twenty-six District Conventions, all held in April and May, everyone was crowded. Delegates from all Counties, all Clubs. October is also house cleaning time.

"The Year Book now comes out Jan. 1st. The club year is half gone by that time, but we hope to have the year book ready and in the hands of the officer who goes from District Meeting to District Meeting in September and October. We will have from now to next May to carry out this plan. When the District meeting comes in October some clubs have had no meeting. Inspiration may come in listening to reports. But if plans of work are ready to carry out, it is more inspiring than reading of reports." Someone arose and said that the rural club women cannot leave the farm work for two or three days at a time. Someone asked why the Convention could not be changed at a time before the club year closed.

Mrs. Phillips arose and said: "I am in favor of leaving the Convention to October as it now is." Mrs. Barrett arose and said: "This year we were not able to organize the work as it should have been done. We were helpless. If we are going to do the work as we should do it, we must get our year book in time to do the work. I am in favor of the Spring Convention."

Miss Newsom arose and said: "There are too many conventions in the spring. From the fall Convention comes the inspiration that comes in the fall of the year. Fall is the time we want to begin to study. It is better to have the delegates get the inspiration first and then take it back to the clubs. I think, however, amendments to the Constitution should be made with the idea of permanency. It should not include any dates as May, 1923. It would be out of date in one year, six months. There should be no date written in the Constitution." Mrs. Earl arose and said: "I am opposed to this amendment. We have tried it in the spring and did not like it. We put it to fall, let us leave it there." Mrs. Wilson arose and said: "If we have it in October we would do things in the work that would lead to efficiency. If the President says we lose time because of present conditions, we should consider that. Spring is in many respects the best." Mrs. Delaney arose and said: "This Convention, I think, is a wonderful example of the fall Convention and its success." Mrs. Perkins arose and said: "The culmination of the year is the time for the Convention. If the Convention is held in the spring with policies brought forward, the policies can be put in the year book. The Executive Committee, the policy makers of the State, say what the clubs ought to carry out. It may be more convenient for you to do

things in your own way, but we should consider the bigger things, the big movements of the world. Do not work for your own convenience or the convenience of a few people. Take the big things presented to you for your consideration. There are certainly enough women who can come though the majority must stay at home; consider your bigger opportunities." Mrs. Grimes arose and said: "I speak as a Corresponding Secretary. Under the present conditions, six months the directories are out of date. It lessens the effectiveness of the work. I am in favor of the spring meetings." Miss Matthews arose and said, "I am in favor of the fall Convention. It is useless to ask the country women to come to the Convention in May. We have tried to have meetings in the spring at the University. It is impossible for the country women to come. That is the busy time for the farm. The time when the farm women must stay at home. I believe that since a very large per cent of the population is rural and the greater per cent of the Clubs are rural we ought to take that into consideration. A good State officer and a good State chairman of committees ought to be working all the year around anyway."

Mrs. Met, of South Bend, arose and said: "In defense of the farmer women, no one would hesitate to leave house cleaning, but who would look after the farmhands, and she cannot leave the incubator for some one else to look after. The State Convention is the only one that includes the whole State. The one everyone can attend. The farm women should be considered."

The question was asked, "What is a rural community?" The answer: "Everything under four thousand is a rural community." All delegates representing such a community were asked to stand. Mrs. Ames, of Greencastle, arose and said: "The individual ought to yield to the general good. If all the officers find the October meeting more efficient than the spring one, then October should be the time. "

Mrs. Hauk arose and said: "Consider the farm and the farmer's services. Someone has to produce the food. We cannot live without it. I am in favor of the October meeting." Mrs Meredith arose and said: "I want to say that this properly should be a resolution. We can meet any time we please and we do not have to change our Constitution. Where does the club get any good from the State organization, except from the attendance at that Convention? Our year book is not used by the clubs. The inspiration of the club meetings and promotion of club ideas comes from and thru the attendance of these club conventions. If we come in the fall we carry it back to our clubs. October is a great Convention month; let us just keep it."

The President then asked all in favor of reverting to the previous question to signify by saying "Aye." The motion was carried.

Action was then taken on the previous motion, "The next State Convention of the Indiana Federation of Clubs shall be held May of 1923 and annually thereafter in the same month and at the place to be selected by the Executive Committee," and the motion was lost.

Mrs. Rumpler then presented Mrs. Nelson, our first woman legislator, who addressed the Convention upon her duties in that office. Mrs. Hostetter reported on the Fauntleroy Home, showing a balance of \$962.29 in the treasury of the Fauntleroy Home Committee. A motion was made by Mrs. Clark and seconded by Mrs. Bacon that this report be accepted, the Committee discharged, and the new administration be instructed to proceed at once to take steps for the completion of the old Fauntleroy Home Fund. Motion carried. Mrs. Rumpler announced that it would be impossible for Miss Rose Brenner, President of the National Council of Jewish Women to be present, therefore she introduced Mrs. Sarah Messing Stern, of Terre Haute, who spoke upon the Council of Jewish Women. Mrs. Robison, chairman of the Resolution Committee, read a partial report. Action on the report to be given later. Owing to the lateness of the hour the program for the Department of Legislation was postponed until 1:50 p. m. Convention adjourned for luncheon.

At 12:30 a luncheon for acting State Officers, acting and past District Chairmen and acting County Chairmen was held at Roberts Hotel with Mrs. Riddle, First Vice-President, presiding. During the luncheon, Mrs. Berry, of California, Chairman of "Fine Arts" in the G. F. W. C., gave an address upon "What Other Federations Are Doing." Mrs. John Moore, a Past President, also addressed the body. Nine acting District Chairmen gave one-minute speeches.

Friday Afternoon.

Convention was called to order at 1:50 with Mrs. Phillip Zoercher, chairman of the Department of Legislation, presiding. The following chairmen of committees gave their reports, which were accepted: Housing and Child Welfare, Mrs. Albion Fellows Bacon. Mrs. Wilmer Christian was absent, but her report on Industrial and Social Relations was read by Mrs. Zoercher. A motion was made by Mrs. Zoercher and seconded by Mrs. Kerher that we endorse the legislative policies of the General Federation. Motion carried.

Mrs. Rumpler introduced Mrs. Percy V. Pennybacker, who addressed the Convention on "Which Closes the Door, Youth or Age?" Mrs. W. J. Torrance was then introduced as the Chairman of the Conservation Department. Under this Department the following reports were given: Mrs. Frank Sheehan, "Dunes Park"; Mrs. L. S. Flickenscher, "Highways"; Mrs. Torrance read a letter from Mrs. Frank Ellis, who was unable to be present,

but sent her report on Civics; Prof. Mary L. Matthews, "Home Economics and Rural Life"; Dr. Etta Charles, "Public Health." Upon motion all the reports were accepted.

Mrs. Thos. De Hass made an appeal for student nurses in Indiana. Mrs. Rumpler introduced Miss Laura Beard, who conducts the Laura Beard Home for young colored girls in Indianapolis. She made an appeal to all club women for funds for her Home. A motion was made by Mrs. T. J. Loudon and seconded by Mrs. Probasco that the following telegram be sent to Hon. Jas. Watson and Hon. Harry New in Washington, D. C., senators from Indiana: "The Indiana Federation of Clubs, representing 25,000 women, now in Convention session in Muncie, unanimously oppose a discriminatory tax on musical instruments." Motion carried. The President instructed the Corresponding Secretary to send this message.

Friday Evening.

Convention opened at 8:15 with the President, Mrs. Rumpler in the chair. Mrs. Wheatcraft, of the Fire Marshal's office, was introduced. She spoke at length on the importance of this office and of the many ways we could prevent fires. The Memorial hour opened with a solo by Mr. Valentine Hahn. Mrs. Rumpler spoke to the memory of Miss Charity Dye, Indianapolis, and Mrs. Hortense Moore, of Rockville. The President read the names of 39 Club women who had passed away during the year. Mrs. Rumpler spoke of the excellent work of Mrs. Mix on the Election Board, and she called for a rising vote of thanks.

Mrs. Smith gave the report of the Election Board. There was a total of 369 votes cast.

For President:

Mrs. Kehrer	66
Mrs. Pittinger	98
Mrs. Torrance	193

Second Vice-President:

Mrs. Zellar.....	243
Mrs. Wilson.....	112

Corresponding Secretary:

Mrs. Sheehan	350
--------------------	-----

General Federation Director:

Mrs. Rumpler.....	351
-------------------	-----

Treasurer:

Mrs. Drummond	349
---------------------	-----

Trustee:

Mrs. Dillon	350
-------------------	-----

Mutilated ballots	12
-------------------------	----

Upon motion this report was accepted.

The President then presented the new officers:

President—Mrs. W. J. Torrance, Evansville.

Second Vice-President—Mrs. Wm. Zeller, Brazil.

Corresponding Secretary—Mrs. Frank Sheehan, Gary.

General Federation Director—Mrs. E. C. Rumpler, Indianapolis.

Treasurer—Mrs. Chas. P. Drummond, South Bend.

Trustee—Mrs. A. J. Dillon, Rochester.

Each officer gave a short response. Mrs. Robison then gave the final report of the Resolution Committee, which was adopted by a rising vote of thanks, and applause.

The President requested Mrs. Geo. Phillips, chairman of the Thirteenth District, to come to the platform when she presented her with the gavel for the District Chairman securing the most clubs into the Federation the past year. Mrs. Phillips secured 17 new clubs. Mrs. Phillips briefly responded.

Mrs. Rumpler spoke on the Near East Relief, then introduced Mr. V. K. Beshgator, of Armenia and America, who addressed the Convention. Mrs. Albion Fellows Bacon spoke on "Child Welfare." Assisting her was Mrs. Kehr. The President announced a meeting of the Executive Committee and Board of Directors at 8:30 the following morning in the Roberts Hotel.

The President then declared the I. F. C. in Convention for 1921 at a close.

REPORT OF THE PRESIDENT

Mrs. E. C. Rumpler.

The president has addressed thirty-six individual clubs and three city federations this year. She also attended eleven county conventions, thirteen district conventions and the council meeting of the General Federation at Salt Lake City.

She has represented the Indiana Federation of Clubs at various conferences held in Indianapolis, such as the National Municipal League, the Child Welfare Conference, the Indiana Historical Conference, and the Teachers' Legislative Committee. The members of the Executive Committee have given the president every assistance possible and have all performed the duties of their offices most acceptably and the president wishes to record her deep appreciation of their support of the administration.

The president visited New Harmony in the interest of the Fauntleroy Home Committee and has spoken for this committee on every occasion.

The president has prepared all the copy for the seven editions of the Indiana Federation of Clubs Bulletin and is grateful for the kindly way the members of the Federation have received the Bulletin, and she earnestly desires that the Bulletin become self supporting through paid subscriptions.

The president extends her thanks to all the members of the Indiana Federation of Clubs for the honor given to her

and for their gracious acceptance of the service she has been able to render.

REPORT OF FIRST VICE-PRESIDENT

Mrs. Jesse Riddle.

The first vice-president of the Indiana Federation of Clubs attended all but two of the sessions of the Executive Committee.

It was a very great pleasure during the past year to attend many club, county and district meetings. With the assistance of the District Chairmen a schedule was arranged for holding district meetings. Upon request copies of suggestive outline for county organizations has been furnished.

Reports of District Chairmen show that more counties have been organized this year than in any preceding year since county organization was introduced. Plans are being perfected to have every county in the state organized by January, 1922.

REPORT OF THE SECOND VICE-PRESIDENT

Mrs. O. M. Pittenger.

The Second Vice-President prepared a questionnaire designed to get a report of work which was done by club women as club work. The tabulation was very gratifying. We found that much work has been done and that the claim often made that our reports are misleading is not well founded.

The County Chairmen are getting their counties organized. Twenty-four counties have complete organization.

The Second Vice-President has answered all correspondence promptly. She made two addresses where the President was unable to go. She has missed but one Board meeting. Expense account donated.

REPORT OF THE RECORDING SECRETARY

Mrs. Myra Stewart Gordon.

The work of your recording secretary, this year, has been issuing warrants for money, sending year books to the Presidents of the new clubs, also to individuals, and a large amount of correspondence. \$1.50 cash has been received for the sale of three year books. The recording secretary has attended all the meetings of the Executive Committee. These meetings were held in Indianapolis, November, January, April and August. The Secretary has received for file the applications of 60 new clubs and she acknowledges and greatly appreciates the receipt of twenty-four year books of various clubs over the State.

The minutes of the Executive Committee are as follows:

November 17th, 1920.

The first meeting of the new board of I. F. C. was held in the Claypool Hotel, Indianapolis, with the President, Mrs. Rumpler, in the chair. The following members were in attendance: Mesdames Rumpler, Perkins, Morris, Grimes, Phillips, Pittenger, Hinkle, Goddard, Cox, Gordon and Miss Newsom.

The resignation of Mrs. D. F. Culbertson, Treasurer, was read and accepted. Mrs. Chas. P. Drummond, of South Bend, was nominated and elected Treasurer.

A motion was made and carried that Mrs. W. J. Torrance be retained as chairman of the Conservation Department. The Board then proceeded to arrange the various committees of the State Federation.

Adjourned for lunch.

The President called the Committee to order at 2 p. m.

A motion was made and carried that the Corresponding Secretary write to each new and old District Chairman concerning the books furnished the Districts by the State Federation to transfer to the new District Chairman. A motion was made and carried that the Convention be held next year in Indianapolis. Motion was withdrawn. A motion was made and carried that the place of the next Convention be placed in the hands of a committee of three. It was suggested our President, Mrs. Rumpler, be one of that committee. The President appointed Mrs. Pittenger and Mrs. Smith. A motion was made and carried that the bulletin be placed in the hands of the Trustees and President. Upon motion we adjourned.

MRS. RUMPLER, Pres.

MYRA S. GORDON, Rec. Sec.

January 19th, 1921.

The Executive Committee met in the Claypool Hotel, Indianapolis, with the President, Mrs. Rumpler, in the chair. The following members were present: Mesdames Rumpler, Goddard, Peterson, Brooks, Drummond, Cox, Phillips, Johnson, Riddle, Perkins, Dalbey, Pittenger and Gordon. The minutes of the former meeting were read and approved. The Treasurer's report was read by Mrs. Drummond, and accepted. A report was given by seven District Chairmen, who were present. Miss Orvis, chairman of the Reciprocity Committee, gave us an outline of her work. The President suggested that District Chairmen who wished speakers for their clubs and District Conventions, get in touch with Miss Orvis, as she could secure these speakers from the State University. We adjourned for lunch.

The Committee was called to order by the President at 2 P. M. Mrs. Rumpler gave a talk on the Fauntleroy Home. No action was taken.

A motion was made and carried that because there was a vacancy in the chairmanship of the Educational Department the bill for the Art Committee be sent to the chairman of the Trustees. Upon motion we adjourned to meet in April.

MRS. RUMPLER, Pres.

MYRA S. GORDON, Rec. Sec.

April 7th, 1921.

The Executive Committee met in the Claypool Hotel, Indianapolis, at 10:30 A. M. with Mrs. Rumpler presiding. The following members were present: Mesdames Rumpler, Pittenger, Drummond, Johnson, Morris, Perkins, Zeller, Grimes, Cox, Gordon and Miss Newsom. The minutes of the previous meeting were read and approved. The Treasurer, Mrs. Drummond, gave her report, which was accepted. The Corresponding Secretary, Mrs. Grimes, gave her report, which was accepted. The President read a report from the War Victory Commission, showing the Indiana clubs had \$3,000.00 to their credit in the National Treasury of the War Victory Commission. A motion was made and carried that this money shall not be a gift to the General Federation fund. Further discussion on the subject was left until the afternoon session. Mrs. Johnson gave a report of the General Federation Magazine. A motion was made and carried that the State Convention be held in Muncie, Wednesday, Thursday and Friday beginning, Oct. 19th, so our General Federation President, Mrs. Winter, might be present.

Adjourned for lunch.

The President called the meeting to order at 2 P. M. We then took up the discussion of the Fauntleroy Home, but no action was taken. It was moved by Miss Newsom and seconded by Mrs. Perkins that the \$3,000.00 of the War Victory Commission referred to above be left in the hands of the General Federation. Motion was lost. It was moved that we recommend adding this sum to the Endowment Fund. Motion was withdrawn. Miss Newsom gave a report of the Endowment fund which was accepted.

Mrs. Perkins, chairman of the Board of Trustees, presented the following resolution: In view of the action of the Executive Board that the surplus from the War Victory Commission now in the hands of the National Treasurer of the War Victory Commission of the G. F. W. C. that it should not be a gift to the national fund, the Trustees recommend that on its return to the State it be added to the Endowment Fund.

Mrs. S. E. Perkins,

Mrs. A. T. Cox,

Mrs. W. A. Morris.

This resolution was unanimously adopted. Meeting adjourned.

MRS. RUMPLER, Pres.

MYRA S. GORDON, Rec. Sec.

August 25th, 1921.

The Executive Committee met in the Claypool Hotel, Indianapolis, at 10:30 A. M. with the President, Mrs. Rumpler, in the chair. The following members were present: Mesdames Rumpler, Grimes Cox, Phillips, Brooks, Gordon and Miss Newsom. The minutes of the preceding meeting were read and with a few alterations were adopted.

A motion was made by Miss Newsom and seconded by Mrs. Phillips that all of the proceedings of the Executive Board be published in the year book. Motion carried. A motion was made by Mrs. Phillips and seconded by Mrs. Brooks that we procure a public stenographer to take all the proceedings of the State Federation Convention for the year book. Motion carried. We adjourned for lunch.

The President called the meeting to order at 2 P. M. Mrs. Smith, chairman of the Program Committee, gave an outline of the program for the coming convention, which included the following: Mrs. Thomas Winter, General Federation President, to speak at the Federation dinner Thursday evening. Mrs. Pennybacker, of Texas, on Conservation, Friday afternoon. Mrs. Oberndorfer, Chicago, chairman of Music of the G. F. W. C., Thursday. Mrs. Rose Brenner, Brooklyn, President of the National Council of Jewish Women. Mrs. Hostetter, Evansville, will speak regarding the Fauntleroy Home. Mrs. Henry Shurman, State President of Music Clubs, will provide music for the Convention. There will be an Anti-Tuberculosis speaker for fifteen minutes, also a speaker from the State Nurses' Association for fifteen minutes. Luncheon for past and present District Chairmen, Friday noon. Mrs. Rumpler suggested that those who had a topic to discuss at the Council meeting Wednesday afternoon of the Convention communicate with Mrs. Smith. Mrs. Rumpler said at the last Council meeting of the G. F. W. C. it was suggested that the Constitution of the State Federations conform to the Constitution of the General Federation. She presented copies of the proposed changes, which are as follows: In article IV, Sec. 2, after the word "the" in the 1st line insert words "Department Chairman and." In Article IV, Sec. 8, strike out the word "officer" in the second line and insert in lieu thereof the word "person." Strike out all the words of the third line "the same office for more than one term" and insert in lieu thereof the words "serve on the Executive committee for more than six consecutive years, providing that this section shall not apply to the General Federation Director." A motion was made by Miss Newsom and seconded by Mrs. Grimes we revise the Constitution and include the Board of Directors. Carried. A motion was made by Mrs. Cox and seconded by Mrs. Brooks that the Executive Board meet monthly and the Board of Directors at least four times a year. Motion carried. A motion was made by Mrs. Brooks

and seconded by Miss Newsom that the chair appoint a committee to prepare these suggested amendments and have them ready to send to the clubs with the Convention call. Motion carried. Mrs. Cox and Mrs. Gordon were appointed on this committee to confer with our President. By consent this committee would be empowered to embody other suggested amendments when they came in.

A motion was made by Mrs. Phillips and seconded by Mrs. Brooks that the Corresponding Secretary request Mrs. Riddle on behalf of the Board to prepare some instructions for District Chairmen at the time of the Convention. Motion carried. A motion was made by Mrs. Brooks and seconded by Mrs. Phillips that the newly elected officers take their office the day following the Convention. Motion carried. Mrs. Cox presented the following resolution: Resolved, that the action of the Executive Committee regarding the purchase of the Fauntleroy Home is binding on the State Federation and the question can be reopened only upon the floor of the Convention following the report of the Fauntleroy Committee. This resolution was unanimously adopted. The President, Mrs. Rumpler, asked the privilege of having the Convention call and credential cards printed. Mrs. Cox, the only Trustee present, was to call a meeting of the Trustees to decide the question. Upon motion the meeting adjourned.

MRS. RUMPLER, Pres.

MYRA S. GORDON, Rec. Sec.

REPORT OF THE CORRESPONDING SECRETARY

Mrs. Samuel M. Grimes.

The corresponding secretary has endeavored to faithfully perform all the duties of her office, answering letters of inquiry, responding to calls for information, and attending Board meetings, missing but one during her tenure of office.

As a member of the Membership Committee, she has handled applications for membership in the I. F. C. of sixty-two clubs.

She has sent out convention material and credentials to State officers, district and county chairmen, chairmen of committees, and over five hundred and forty clubs.

In handling so much mail some mistakes were inevitable, which your corresponding secretary greatly regrets.

With the invaluable aid of the faithful district chairmen she has striven to compile a correct Directory for the Year Book of 1922.

Her work is done and in leaving the office it is with many pleasant memories of the delightful club women it has been her privilege to meet both in person and by correspondence.

TREASURER'S REPORT

To the Officers and Members of the Indiana Federation of Clubs, as Treasurer, I herewith submit the following report, from January 7, 1921, to November 15, 1921:

General Fund

Jan. 7, 1921 Balance Received from Former Treasurer \$1,217.19

Dues Received from Districts

Respectfully submitted,
 MRS. CHARLES P. DRUMMOND,
 Treasurer.

REPORT OF AUDITOR

This is to certify that I have made an audit of the Treasurer's records and books of accounts of the Indiana Federation of Clubs for the period Jan. 7, 1921, to Nov 15, 1921, and find same to be correct and all funds accounted for.

Yours very truly,

LOWELL B. CURWIN,
Certified Public Accountant,
South Bend.

REPORT OF TRUSTEES

Mrs. William A. Morris, Secretary.

Your trustees have held three meetings during the year and two special meetings called by the President, with two members present, Mrs. Cox and Mrs. Morris, to act on special business which could not be deferred. Estimates on ten thousand sheets of paper and ten thousand envelopes were received from several firms and contract let to lowest bidder and stationery distributed to officers and committees. Bids for year book were submitted, contract let and books mailed.

Bills 1 to 41, inclusive, were approved.

In view of the action of the Executive Board that the surplus of the War Victory fund in the hands of the War Victory Commission of the G. F. W. C. not be a gift to the national fund, the trustees recommend that on its return to the state it be added to the Endowment fund.

A survey of Endowment funds of other states was conducted by the secretary of the Board of Trustees, but no definite action taken up to this time. The amount of the budget for the year just closed was \$1,585.00 and \$1,708.18 was expended, no officer or department having expended the amount appropriated in the budget and the printing and convention expense having exceeded the budget.

The reports of the Educational Loan funds in Purdue and Indiana Universities are as follows:

October 31, 1921.

Mrs. W. A. Morris, Secretary,
Frankfort, Indiana.

My dear Mrs. Morris:

In answer to your letter of the 30th in regard to the Indiana Federation of Clubs Educational Fund, I report as follows:

On deposit in Purdue National Bank.....	\$209.90
Loans	200.00
Total amount in Fund.....	<u>\$409.90</u>

Since this fund was established in 1914, it has helped nine different girls, one of the girls having had a second loan.

Very sincerely yours,

HELEN HAND,
Secretary to the Office of the President.

Bloomington, Indiana, Nov. 4, 1921.

My dear Mrs. Morris:

In compliance with your request, I enclose herewith a statement of the condition of the Educational Loan Fund of the Indiana Federation of Women's Clubs.

Very truly yours,

W. L. BRYAN.

Mrs. W. A. Morris,
Indiana Federation of Clubs,
Frankfort, Indiana.

Statement of Condition of the Educational Loan Fund of the Indiana Federation of Women's Clubs

November 1, 1921.

Assets

Cash	\$285.19
Notes	125.00—\$410.19

Liabilities

Contributions	\$342.99
Interest	67.20—\$410.19

INDIANA UNIVERSITY,
By W. H. Smith, Bursar.

The Educational Loan fund placed in I. U. of \$400.00 has been loaned to students thereby enabling them to continue their work.

Budget for the Year 1921-1922

The sources of income for the Federation are: first, receipts from dues; second, interest from interest-bearing fund; third, interest from a \$12,000 Endowment Fund invested in Liberty bonds. An estimate based on the income for the year just closed indicates an income for the present year of approximately \$1,600 from dues, \$35 from the interest bearing fund after reducing this fund to increase the Educational Loan Fund at Indiana and Purdue Universities as was ordered by the Executive Board at the November meeting, and \$515 from the Endowment fund, which makes a total estimated income of \$2,150. In order to complete the Endowment before the last annual convention it

was necessary to anticipate fully one-fourth of the income on this fund for the present year which leaves the available income from this source less than it will be in the future—approximately \$380.

At the Executive Board meeting held in Logansport in November it was decided to continue the publication of the Federation Bulletin through the current year. The six editions published last year cost approximately \$45 for each edition and there was received in subscriptions \$33 for the six editions. At the Trustees' meeting following the Executive Board meeting it was decided to apply the income from the Endowment toward the expense of the Bulletin. This amount together with receipts from subscriptions should meet all Bulletin expenses.

This leaves an estimated income of \$1,635 from interest and dues to be apportioned and appropriated for the purposes set forth in the following budget:

Estimated income (aside from int. on End. Fund).....	\$1,635.00
Printing	\$600.00
Convention expense	350.00
General Federation dues	120.00
President, expense	125.00
Recording Secretary, expense	85.00
Corresponding Secretary, expense.....	65.00
Treasurer, expense	60.00
Department of Education	50.00
Department of Conservation.....	50.00
Department of Legislation.....	50.00
Trustees, expense	15.00
First Vice-President, expense	10.00
Second Vice-President, expense.....	10.00—\$1,590.00

This practically appropriates the entire estimated income for the current year. Should plans develop during the year requiring the expenditure of larger sums than are set out in the budget the Trustees will consider all requests presented for additional funds and whenever deemed advisable will increase appropriations from the general fund, should there be any money in this fund, and the interest-bearing fund.

As it is impossible to anticipate at the beginning of the year all of the activities of the Federation that may require the expenditure of money the Trustees think there should be held in reserve in an interest-bearing fund not less than \$500.

Respectfully submitted,

MRS. A. T. COX,
MRS. W. A. MORRIS,
MRS. A. J. DILLON,
Trustees.

REPORT OF GENERAL FEDERATION DIRECTOR

Miss Vida Newsom, Columbus.

The General Federation Director has endeavored, at all times, to promote the interests of the General Federation in Indiana and has performed various other duties, assigned by individual members of the General Federation Board of Directors, for increasing the efficiency of the General Federation.

Directly after the last State Convention, the Director forwarded to General Federation Headquarters, at Washington, D. C., a list of the new State officers and gave all assistance possible to the Director of Headquarters in perfecting the Indiana roster of the General Federation Directory. Clippings and a typed report of the convention were mailed to the General Federation News, and innumerable notices and much information about the General Federation were sent from time to time to State and local papers. Questionnaires were filled out, as follows: One from General Federation Headquarters in regard to Indiana library facilities and University Extension service for clubs; another, from the Second Vice-President, Mrs. Schermerhorn, relating to Volunteer Social Service Bureaus. Your Director has sent letters to representatives in Congress in the interest of General Federation legislation, as requested by national committee heads. She has presented the subject of the General Federation at two district conventions and four individual club meetings; has attended Board meetings of the Indiana Federation; was present at the General Federation Council, at Salt Lake City, June 13-18, and at all sessions of the General Federation Board directly preceding and following this meeting.

In reply to requests from Mrs. Winter and the General Federation Press Chairman, for "Stories of Achievements" by State Federations and individual clubs, for publicity purposes we have forwarded, through the prompt co-operation of certain club leaders, the following: the "Story of Turkey Run," by Miss Newsom; a statement of what the Indiana Federation has done, educationally and in the interest of legislation towards conserving the "Sand Dunes of Indiana," by Mrs. Frank J. Sheehan; a report of the work of the "Co-operative Committee for the Blind," from its beginnings in October, 1913, by Mrs. E. K. Montgomery; stories of the "Work for the blind in South Bend," by Mrs. Frank Barnes, and of the "Lincoln Highway Tree Planting," by Mrs. F. S. Fickenschier; the "Juliet V. Strauss Memorial," by Mrs. Blanche Foster Boruff, and "The Organization of the Bedford Round Table," by Mrs. Boruff. Some few other stories were requested but if forwarded the Director was not so advised.

Noting the announcement in the "General Federation News," that besides copies of the News sent to General Federation and

State officers and Presidents of General Federation clubs, this paper would be mailed direct to 1,000 newspapers in the United States, your Director promptly had placed upon the mailing list of the News, thirteen Indiana newspapers. With the name of each was sent that of the editor of the club department in that paper who would be responsible for the publication of the General Federation News locally. The importance of reading the General Federation News, if we are to be well informed club women, cannot be too much stressed. The price of the publication is 50 cents per year. Subscriptions for clubs or individuals should be sent to Mrs. James J. Read, Chairman, Press Department of the General Federation, 329 Washington Ave., Fayetteville, Arkansas.

Two form letters have been sent, one to the State Department and Committee Chairmen urging their co-operation in carrying on the work of the General Federation, as outlined by the General Federation Chairmen of corresponding departments and committees, and expressing the desire to advise State chairmen of the names of General Federation chairmen if they had not yet received communications from them. It was thought that this suggestion might be helpful, in view of the reorganization of the General Federation Departments of Work, following the Des Moines Biennial. As a result, several chairmen of State committees inquired for names and addresses of General Federation committee leaders. Another letter was addressed to the District Federation Chairmen, calling attention to the six Departments of Work of the General Federation, particularly that of American Citizenship, and enclosing leaflet stressing Fourth of July Citizenship Day, 500 copies of which, prepared by the American Citizenship Department, were distributed by the Director through the District Federation Chairmen at their District Conventions. We do not know how generally Citizenship Day was observed over the State as a result of these efforts, as few replies to this letter were received, but Citizenship Day was emphasized at Columbus, Indiana, on July Fourth, when a county-wide patriotic pageant was staged, by the Community Service leader, in one of the city parks. The whole celebration revolved around the Citizenship idea, honoring the young people who had become of age during the past year, this central theme having been provided through the General Federation American Citizenship Department leaflet.

Many copies of the "Call to Club Women of America," by Mrs. Thomas G. Winter, in regard to the International Conference to plan for Reduction of Armaments have been distributed to the press and elsewhere, and 100 of these slips are on distribution at this convention. Within recent weeks, there was received a copy of a telegram to President Harding, sent by Mrs. Jennings, First Vice-President of the General Federation, urging the appointment of Mrs. Winter as a member of the Ad-

visory delegation of the Armament Conference, and asking that we have as many similar telegrams sent from club women in our State to the President as possible. Immediately, copies of Mrs. Jennings' telegram and an explanatory letter were sent to several of our leading club women, preferably to those who have for some time known Mrs. Winter personally, requesting that they forward telegrams recommending her as one well qualified to do justice to the President's appointment, the General Federation and the womanhood of the United State. A number of such telegrams were sent from Indiana in behalf of Mrs. Winter's appointment.

Clubs affiliated with the General Federation are requested to send their Year Books to General Federation Headquarters, 415-416 Maryland Bldg., Washington, D. C., that they may be used for reciprocity purposes. It is urged, also, that club women do not fail to visit this headquarters when in Washington.

The new General Federation pin may be had from Feagans & Co., 218 W. Fifth St., Los Angeles, California. The price is \$4.00, a royalty of 10 per cent of the purchase price being given by this firm to the General Federation.

"Every Club in the Indiana Federation a Member of the General Federation" is the slogan of your Director for the remainder of the club year. Dues are \$2.50 for clubs of less than 25 members and 10 cents per capita above 25 members. There are now 79 clubs in the Indiana Federation affiliated with the General Federation. The co-operation and support of every club is needed in carrying on the work of this great organization, and your club needs the General Federation viewpoint and inspiration direct. Write the Director for an application blank, and have your club represented at the Biennial Convention of the General Federation of Women's Clubs, to convene June 22, 1922, at Chautauqua, New York.

REPORT OF THE FIRST DISTRICT

Mrs. O. M. Welborn, Chairman.

The Fourteenth Annual Convention of the First District Federation of Clubs was held in the Main Street Presbyterian Church, Petersburg, Saturday, May 28, 1921.

Our hostesses, the Evening Musicales and Woman's Club, received us with delightful hospitality, doing everything possible for the success of the Convention and the comfort of their guests.

The morning session was devoted to the business of the convention, the reports of officers. The Two Minutes' Resume by Club Presidents, showing the work of the individual clubs for the year, gave an insight into the varied activities of the clubs and the wide range of duties that fall to the club woman of today who contributes to the upbuilding of her community.

In the afternoon our State President, Mrs. E .C. Rumpler, gave an interesting and inspiring address.

Mrs. Demarchus Brown, of Indianapolis, the speaker of the day, delighted us all with "Some Old-Fashioned Women Writers."

At the close of the convention a reception was given in the K. of P. Hall where we enjoyed a musical program and the pretty interpretative dancing by little girls.

The officers for the ensuing year are:

Mrs. James S. Boonshot, Chairman, Petersburg.

Mrs. Sol Hammer, Vice-Chairman, Evansville.

Mrs. Merle Kiefer, Secretary, Petersburg.

Mrs. R. E. Wilson, Treasurer, Mt. Vernon.

The First District reports the organization of one County Federation, Gibson county, under the leadership of Mrs. C. O. Baltzell, of Princeton.

One club, Woman's Library, New Harmony, has been added to the State Federation, and six new clubs to the District Federation.

The convention of 1922 will be held at Rockport.

REPORT OF SECOND DISTRICT

Mrs. H. D. Hinkle, Chairman.

The clubs of Second District have had a wide and varied program of activities for the past year. The culture studies have included Literature, Art, Music, History, Home Economics and Political Science.

The report of the literary work shows that while the clubs have studied the literature of all great nations, all kinds, and covering a period of time from the dawn of literature in the Orient to the most recent products of the present time, the big outstanding fact is that the Bible held first place, seven clubs having given the Bible either whole or part time on their programs. Mooresville Bay View used the Indiana Extension course giving the entire year to Bible study. Spencer Thursday Study Club gave half of the time of each meeting to Bible study. Lyons Social and Benevolent Club studied "Characters of the Bible." Sullivan Friday Afternoon Club, "Love Stories of the Bible." Martinsville Woman's Club, "The Idyl Ruth." Odon Mutual Improvement Circle, "Bible Women." The Mothers' Club of Bloomfield financed and conducted a four weeks Daily Vacation Bible School, during the month of July, making good use of idle churches, idle children and idle teachers.

The practical work of the clubs included the sale of Red Seal stamps, contributions to Fauntleroy Home, Hoover Fund, Near East Relief, Roosevelt Memorial and Juliet V. Strauss

Memorial. Monroe, Daviess and Greene counties raised money, collected and contributed fruits, jellies and delicacies for patients and helped supply their hospitals with various necessities and luxuries. The modern Health Crusade was conducted in many schools. Vincennes Fortnightly Club and Martinsville Department Club supplied poorly nourished school children with milk.

Monroe, Morgan and Greene counties have public health nurses. Lecture courses, art exhibits and music festivals have been conducted and cities beautified by the planting of trees, shrubbery and flowers.

The year began with only one county organization but five more fell into line and are now organized for more efficient Federation service. Most of the county conventions were well attended and were very enthusiastic meetings. They occurred as follows:

Greene Co., in Bloomfield, April 29th.

Daviess Co., in Washington, May 7th.

Knox Co., in Bicknell, May 11th.

Morgan Co., in Martinsville, May 18th.

Martin Co., in Loogootee, May 20th.

Sullivan Co., in Sullivan, May 21st.

The Thirteenth Annual District Convention was held in Worthington May 26th, with the Worthington Study Club and Twentieth Century Club as hostesses, assisted by Parent-Teacher Club. One hundred and eighty delegates and visitors registered, showing this to be the largest convention ever held in the district. The morning session was given to reports of officers, County Chairmen and State Committee women. A delicious noon luncheon was served to one hundred sixty-five. The first thing in the afternoon was the Conference of County Chairmen, with Mrs. Clay Beard, of Bloomington, presiding. The regular session began with a procession of past district chairmen and club presidents. Each was presented to the convention and each gave a short response. Miss Genevieve Larmore, of Worthington High School, gave an address on "Co-operative Housing Plan," which she had delivered before the State Public Discussion League in which contest she tied for second place. Mrs. Rumpler made a most inspiring address on the "Power and Influence of the Woman's Club in the Community and Nation." The Convention was favored with five beautiful musical numbers and a reading by Worthington's talented citizens. At the close of the convention a reception was given at the home of Mrs. Fred E. Dyer.

Linton extended the invitation for the next convention, which was accepted:

The new officers are:

Chairman, Mrs. T. J. Loudon, Bloomington.

Vice-Chairman, Mrs. T. B. Shaffer, Sullivan.

Secretary-Treasurer, Mrs. L. B. Fleetwood, Linton.

The following clubs have joined the Federation this year:

- The Hyacinth Club, of Linton.
- The Wednesday Social Club, of Bloomfield.
- The Progressive Club, of Plainville.
- The Delphian Chapter, of Vincennes.
- The Classical Club, of Washington.
- The Cycle Literary, of Bloomington.

THIRD DISTRICT

Mrs. Thos. J. Brooks, Chairman.

The third district I. F. C. held its ninth convention in New Albany May 31st-June 1st, in the First Presbyterian Church.

After registration the delegates had luncheon at the church. In the afternoon they were entertained by the Tri Kappa Sorority at the beautiful home of Miss Etelka Rothenbach. Refreshments being served beside the fountain in a picturesque garden. This was an appreciated courtesy as the Sorority cannot federate. It was but an added proof that Southern Indiana hospitality is proverbial. A banquet was held at the church for over 60 delegates. A fine program was given, arranged by the County Chairman, Mrs. Chas. S. Hartley, who was toastmistress. The Busy Woman, Recreational Playgrounds, Movies in the Church and the Fauntleroy Home by our Indiana artist, Harvey Peake, who had just come from there and sang its praises. At the evening session Rev. W. T. Pearcy gave the invocation and the St. Cecilia Music Club gave pleasing numbers. The welcome was extended by Chas. S. Hartley, of New Albany, and was responded to by the District Chairman, Mrs. Thos. J. Brooks, of Bedford. "Problems of Rural America" were presented by Prof. C. B. Cornell, of Cleveland, Ohio. Director of Civilian Relief, Lake division Red Cross and "Winning Her Way." Public Health Service Nursing moving picture proved its worth. Mrs. A. M. Farr conducted devotions Wednesday morning, Miss Helen Mitchell following with a piano solo well rendered. Business began with reading of minutes. Reports of Corresponding Secretary Mrs. Daniel Tofante, of Bedford; Secretary-Treasurer Mrs. F. A. Ulen, Corydon, and a county chairman, state committee meeting members and State Teachers Association by Mrs. Hollis Pennington. She and her assistants at the suggestion of the District Chairman had an exhibition at the library, the work of the school children, second to none. Mr. William J. Hamilton, of Indianapolis, ably presented the library needs of the Third District, urging traveling libraries for the rural district. Every county but one gave a wonderful report and the little county of Scott went on the district map with two new clubs. Perry followed with Mrs. Lewis Zoercher

bringing in her club. Mrs. Victor Right added two new clubs from Corydon and Mauckport. Lawrence and Floyd through Mrs. C. S. Hartley gave seven, making a new district record of fifteen new clubs in less than three months after books were turned over. Lawrence county effected its County Federation March 3rd with ninety luncheon guests and over two hundred at session addressed by our State President, Mrs. E. C. Rumpler. The next day she spoke at Mitchell before the Fleur de Lis Club with guests from Orleans club and Bedford. Second meeting in May. Orange county under Mrs. Azro Moss did good work and now under Mrs. Blish Monyhan bids fair to outdo herself. Washington had the first County Federation and had the second executive meeting. At the first Executive Meeting at New Albany held in the old Scribner Home, eight county chairmen and all officers present, which is a record attendance to date. Many club presidents attended also. Lawrence county has a county nurse and a school nurse. Orange has one and at the last Federation in Paoli, South Center Township, which is almost impassable in winter, had a dear lady present who said that she came to be informed and then go home to tell others and to do the best she could to help. It is this wonderful spirit that moves mountains that is carrying us to better books, better lives, better homes. No county does more than Floyd and Clark to have better moving pictures, social uplift and general education improvement. Dubois was so awakened by the Red Cross work that the Community Service is bringing wonderful results. Orange county has its hands full keeping French Lick and West Baden within the law, but finds much else worth while to do. Harrison county has the first capital at Corydon. The Constitutional elm and old building of historic note. The treat of the afternoon session was the address of our beloved State President, Mrs. E. C. Rumpler, who has stimulated club life wherever she has been heard, as few can do. Mrs. Jesse Riddle, of Lawrenceburg, First Vice-President urged County Federation all over the State.

Mrs. H. C. Hobbs gave an entertaining reading and the music was excellent by Miss Pumphrey, soloist, and Mr. Zimmer, violinist, of Jeffersonville.

The following officers were re-elected:

Mrs. Thos J. Brooks, Bedford, District Chairman.
Mrs. Wm. N. Short, of Salem, Vice-Chairman.
Mrs. Daniel Tofante, of Bedford, Corresponding Sec.
Mrs. Frank Ellis, Jeffersonville, Secretary-Treasurer.

County Chairmen:

Clark—

Crawford—Mrs. T. J. Jones, English.

Dubois—Mrs. H. C. Knapp, Huntingburg.

Harrison—Mrs. Victor Wright, Corydon.

Floyd—Mrs. Chas. S. Hartley, New Albany.

Lawrence—Mrs. Daniel Tofante, Bedford.

Scott—Mrs. Lawson N. Mace, Scottsburg.

Orange—Mrs. Blish Monahan, Paoli.

Washington—Mrs. O. C. Zink, Salem.

Perry—Mrs. Louis Zoercher, Tell City.

The next convention will be held in Jeffersonville.

REPORT OF THE FOURTH DISTRICT

Mrs. John F. Goddard, Chairman.

The Fourteenth Annual Convention of the Fourth District Federated Clubs was held at Aurora, Indiana, May 17th, 1921, the Woman's Research Club of Aurora entertaining.

The reports from the clubs showed renewed interest and increased endeavor on a much broader and comprehensive field and activities than before.

The Clubs contributed liberally to the Armenian Relief, The French Orphan Fund, the Near East, the Red Cross, Chicago Woman's Shelter, European Relief, Roosevelt Memorial Bird Fountain, Chinese Famine Fund, the War Mothers for Memorial Tablets, the Anna Howard Shaw Memorial, the Fauntleroy Home, Municipal Christmas Trees, Tuberculosis Associations, Legislative and Educational funds and furnished milk for school children.

A number of clubs which have devoted their time exclusively to literary study have become interested and active in civic work and have contributed to Libraries, Cemetery Associations, better public conveniences and improvements and many other local enterprises.

Some have organized Parent Teachers' Associations and have written our Senators and Representatives in Congress and our State Legislators to support bills in which women and children were interested and have urged the preservation of the Sand Dunes of Indiana.

Much time has been devoted to the study of thrift.

Several clubs have followed programs outlined in bulletins prepared by the Extension Department of the Indiana University.

Our State President, Mrs. E. C. Rumpler, who has given us such excellent and untiring service, was at the convention and gave an address full of helpful suggestions which were an inspiration to her hearers.

Miss Vida Newsom, General Federation Director, gave minutely the outlines of work of the General Federation of Clubs.

Miss Mary Mathews, of the Home Economics Department, Purdue University, gave instructive talks on Home Economics and Girl Clubs and the Home Maker as a Business Maker.

Two new clubs have been added to the District and State Federations this year.

Miss Fannie S. Foulk, of Aurora, was elected President and Mrs. J. S. Bielby, of Osgood, Vice-President.

Our next annual convention will be held at Columbus, Indiana.

The Aurora ladies left nothing undone that could have added in any way to the comfort and pleasure of their guests.

REPORT OF FIFTH DISTRICT

Mrs. William Zeller, Chairman.

The six counties of the Fifth District Federation of Clubs have worked incessantly during the year to carry on the work of the Federation, through the several departments. Splendid stories of accomplishment, after mighty effort, have come from over the District. The women of the Fifth District have a new vision of service and no more does the chairman hear the all-depressing question, when asking clubs to federate, "What can we get out of it?" We have learned that we federate to give and not to get. We have learned, too, that the most effective work can be done through the big department club. Therefore, we have not so many clubs added to the State Federation, but a larger club membership than we have ever had.

Our District meeting, held in Rockville, May 28th, was attended by more than four hundred delegates. Our State President, Mrs. E. C. Rumpler, was present and gave an inspirational talk on club work. There is time to mention only a little of the work done. Hendricks county is probably one of the best organized counties in the State, practically all of the civic and charitable work of the towns in the county is done by the clubs. At North Salem we have a new club, the "Women's Club," which is most active. Also the Friday Club of Stilesville came into the Federation. Three clubs joining the State and six the District Federation is the report of Hendricks county. The clubs have raised money for Red Cross, Hoover fund and Near East Relief.

Vermillion county reports thirteen clubs in the District and four in the State Federation. All clubs are strong and always at work.

Contributions have been made to the Near East Relief, the Fauntleroy Home and the Strauss Memorial. They expect many new clubs to join the Federation next year. Putnam County reports twelve federated clubs. They have contributed generously to all calls for relief. The demonstration work has been of a high order. The clubs have supported the county Red Cross nurse and the health clinic. The Twentieth Century Club of Greencastle sent gifts to the inmates of the County Farm at Christmas. Will furnish a room in the new hospital. Have

supported the milk fund for school children and observed Citizenship Day on July Fourth, according to the plan outlined by the General Federation. Parke county is a well organized county, doing magnificent work along all lines. Parke county gave the largest gift to Near East Relief. Parke county is proud of the new District Chairman, Mrs. McFaddin, of Rockville.

Mrs. Jonathan Rigdon, of Danville, was elected vice-chairman, and Mrs. E. Y. Hooper, Terre Haute, secretary-treasurer.

Vigo county reports the largest department in the district. The Department Club of Terre Haute has gained one hundred members in the last year. As a whole the biggest thing done was bringing Galli-Curci here last spring, managing every detail and making it a wonderful success. The various departments have done good work.

The Wednesday Tourist Club continues to do literary work and responds to all calls of a civic nature.

The Council of Jewish Women has done splendid philanthropic, educational and Americanization work. Their Americanization work has been especially fine.

Clay county as usual is active in her club work—social, civic, philanthropic and literary. The city clubs of Brazil were federated in 1918, and have since worked harmoniously as a whole in all matters of interest for the betterment of the community.

We feel that one of the biggest and best things done by the clubs was the installing of a milk diet in the schools. Each child 15 per cent underweight was given a pint of milk daily, last year, and this year each child 10 per cent under weight will be given the milk.

We gave \$100.00 to the Armenian Relief, \$100.00 to the Near East Relief and \$25.00 to the Salvation Army. We raise our money in various ways—picture shows, concerts, home-talent plays and tag days.

Among the clubs throughout the county are the Knightsville Reading Club, a progressive, up-to-date literary club, who do a great deal for the civic up-lift of their town, and are responsible for a great deal of the charity work done. They donated \$50.00 toward remodeling the Knightsville church the past year.

The Coalmont Economic Club is under the direction of Purdue University, and very active in carrying out the work as planned by them.

The Eagles Literary Club is also very active and interested in all matters for the betterment and uplift of the rural community.

The Jackson Township Community Club is doing a wonderful work along all lines. They have organized a 36-piece band, having paid 10 per cent of all instruments below \$50.00 and 25 per cent of all instruments above \$50.00. They have an

instructor come out once a week. The entire township is very proud of these boys. They gave \$20.00 to Jewish Relief, \$100.00 to Central European Relief. They send flowers to all sick and many Christmas baskets.

Another very good work in our county was a committee appointed to wait upon our county commissioners and prevail upon them to make needed repairs at the Orphans' Home, which they did in the way of improvements to the house and grounds. They also have a herd of tuberculin tested cattle. A committee of young ladies were appointed to visit the Home at different times, entertaining the children with music, games and picnics, bringing them by motor to a Chautauqua a number of times. They also bring them in to the picture shows at different times.

Each year we are trying to branch out a little farther and do more effective work.

REPORT OF THE SIXTH DISTRICT

Mrs. Harry Dalbey, Chairman.

The fourteenth Annual Convention of the Federated Clubs of the Sixth District was held at Richmond in the Grace Methodist Episcopal Church May 11-12, 1921.

After the registration and assignment of homes, a reception was held in the Art Gallery of the High School by the Woman's, Athenea, Current Events, Aftermath and Progressive Literary Clubs, the hostesses of the Convention. There was on display the Guy Wiggins exhibit of the Palisade School of remarkable character and beauty.

At 6:30 an elegant banquet was served by the Methodist ladies to about 200 guests. Flowers to beautify were furnished by Mrs. S. E. Smith, of Easthaven.

Evening session began with an organ recital by Mrs. Lewis King.

Greetings were given by Mrs. Paul Comstock, of Richmond, and responded to by Mrs. Elmer E. Smith, of Knightstown.

The address of the evening was by Stuart Walker, actor and playwright, of Indianapolis.

The business session began at 9 a. m. May 12, with reports of the County Chairmen and Committee Chairmen. These reports gave evidence of wonderful work being accomplished by the clubs of the District, and that the chairmen are thoroughly alive to their responsibility. Just a few items gleaned from these reports:

Clubs belonging to District Federation, 88; to the State, 39. Three new clubs for the State—Highland Economics of Union Co.; Progressive Literary, Richmond, Wayne Co., and Springport Tuesday Club. Five new clubs added to the District this year—two from Wayne, one from Rush, one from Fayette and one from Union Counties.

Conventions were held during the year in Henry, Union, Franklin and Hancock Counties. The District Chairman was present on each occasion.

Mrs. Petro, chairman for the Blind, reported sales amounting to \$343.62.

Union County Federation purchased a piano for the Library at Liberty and paid cash for same, also gave to European Relief and other charities \$190.50.

Hancock County Federation decided that since their county was the birthplace of James Whitcomb Riley to place markers in the form of arches at the four main entrances to Greenfield, also suitable markers in all other places in the county made famous by Riley.

Helen Hunt Club of Cambridge City gave \$500.00 to the purchase of a lot for a public library.

Home Culture Club of Centerville started a public library of 800 volumes.

The clubs throughout the District gave very generous gifts to all forms of charity.

Connorsville clubs have united in establishing a Protective Educational Fund. The money to be loaned to boys and girls in need of assistance to gain a business education. Two girls have been benefited.

The District Chairman of Home Economics reported Shelby, Henry and Hancock Counties have one live home economics club each, all doing splendid work. Union County has several clubs covering various phases of Home Economics—one has had a demonstrator from Purdue, and sent girls to State Fair School.

The address of the morning was by Mrs. E. C. Rumpler—a most wonderful plea for the work of the Federation—a true inspiration to all.

Mrs. Sheehan gave her delightful talk on the Dune Country, illustrated with most beautiful colored slides. We were deeply impressed with the necessity of renewing our energies in behalf of the preservation of the Dune Country of Indiana for a State Park.

The programs of the Convention were interspersed with excellent musical numbers, both vocal and instrumental, carefully selected by Miss Alice Knollenberg, chairman of the Music Department of the Woman's Club of Richmond.

The election of officers resulted as follows:

Mrs. Harry Dalbey, Richmond, Chairman.

Mrs. C. F. Baxter, Knightstown, Vice-Chairman.

Miss Marie Gard, Liberty, Secretary-Treasurer.

The Convention of 1922 will be held at Liberty.

New clubs in State this year:

Progressive Literary, Richmond.

Springport Tuesday Club.

Highland Home Economics, Union County.

REPORT OF SEVENTH DISTRICT

Mrs. John Downing Johnson, Chairman.

The monthly meetings held the third Friday of each month, 10 to 12 a. m. in the I. O. O. F. building, continue in favor with the club women and the attendance has grown amazingly. The thirteenth annual District Convention held May 20th, in the Hotel Severin, was known as "President's Day." Aside from the main address by the State President, Mrs. E. C. Rumpler, and short greetings from the National and State Chairman, the day was given over entirely to club presidents who responded in spicy and worthwhile reports of the big things their clubs had done this year.

The entire District roster seemed to answer to the secretary's roll call. The presidents of the literary clubs spoke with satisfaction of the returned interest in the study of art, literature and music. The larger organizations, the Jewish Council of Women, Women's Department Club, Women's Rotary Club, League of Women Voters and College Alumni, told of big donations to various activities in which they are engaged. Many smaller clubs also reported large gifts and "guests" at the Hoover Luncheon. These reports netted thousands of dollars used in local, state and national activities, allowing the women to be generous in any line of work she chose and at the same time, being a part of the great national Federation of Women's Clubs, representing over a million women.

The election of officers resulted in the re-election of chairman, first vice-chairman and treasurer. Mrs. Van Dorn, the incumbent secretary, resigned and Mrs. C. L. Stubbs was elected in her place. Mrs. David Ross, second vice-chairman, Mrs. Philip Zoercher, corresponding secretary. The two last offices were voted by the district, after thirty days' petition by the board.

Twenty-five dollars was given to the May Wright Sewell Memorial Fund; \$25.00 to the Indianapolis Library Fund; \$10.00 to the Fauntleroy Home; \$10.00 to the Julia B. Strauss Memorial; \$5.00 to the National Child Welfare Committee and \$10.00 to the Legislative Council of Women.

Much appreciation has been expressed by the officers of the district for the State Bulletin, a publication of vital importance to club women. Like all pioneer measures, it will be some time before the clubs fully appreciate the benefits they may receive from it. Likewise the General Federation News, a most essential and helpful magazine. In conjunction with these, we express our deep appreciation of the courtesy of the Indianapolis press.

The membership now numbers 76 affiliated clubs with the district, a gain of 22 organizations this year and a loss of two. At the Americanization meeting of the district the resolution

committee was instructed to frame a resolution to be sent to our Congressman to read as follows:

"Resolved, that the Seventh District Indiana Federation of Clubs stand for standards of immigration which are concerned with the future citizenship of the Republic and further, that the Federation stands for a new law fixing the number of immigrants to be admitted for the year, accepting only those essential to our well-being, and further, that judicious methods be adopted to assimilate and incorporate the alien into the life of the Nation."

"Resolved, that the Federation deeply deplores the publication of 300 foreign language papers in the United States and urges legislation looking to the publication of such papers in the English language."

"Mrs. Felix T. McWhirter, Chairman.

"Mrs. Henry Beck,

"Mrs. Winfield Scott Johnson,

"Mrs. H. B. Burnett,

"Mrs. G. M. Henderson, Secretary.

The club women participated in the parade of the American Legion on July 4th, in response to the call sent out by the President-General, Mrs. Winter, to observe the Fourth of July also as Citizenship Day.

At the October meeting, a unanimous vote was taken to send a telegram to President Harding, urging the appointment of Mrs. Winter, President General of the Federation of Clubs, to become a member of the disarmament conference, adding our appeal to that of thousands of other club women of the nation.

The Indianapolis Industrial Exposition honored the club women of this city by designating one afternoon of the week to be known as "Women's Club Day." Many women attended the exposition.

REPORT OF THE EIGHTH DISTRICT

Mrs. John S. Peterson, Chairman.

The Eighth District Convention was entertained by the Jay County clubs May 10th in the Church of Christ at Portland. A delightful luncheon was served at the noon hour in the church dining room. Mrs. A. B. Frost, Jay county Chairman, and clubs of Jay County are to be congratulated upon the success of the meeting for it was one long to be remembered by the club ladies.

Twenty-three new clubs were added to the district, nine to State, during the past year. Splendid reports were given by the six County Chairmen. All counties reported one or more Federated meetings during the year. The work of the State Committees was presented by the district members of each committee.

One of the features of the eighth district convention is an honor flag given to the club president who can give the best report of her club year in one minute. There is much rivalry and the judges have difficulty in deciding who the winner is. Mrs. Bailey, president of the Woman's Club, Selma, Delaware Co., received the flag this year.

Our State President, Mrs. Rumpler, was present and presented the plans of the Federation; Mrs. James P. Goodrich talked on Americanization, Mrs. Kehrer on League of Women Voters, Mrs. Lesh on Economic Work, and Mrs. Elma Wood, who has visited the Fauntleroy Home, gave an interesting talk.

Portland Musical Club gave many delightful numbers. Mrs. Holthouse, of Decatur, sang a group of songs.

Mrs. J. P. Goodrich, of Winchester, was indorsed by the district for State President of I. F. C.

Collection for the Anna B. Shaw memorial was taken amounting to \$12.60; \$5.00 from the district treasurer was given to the fund, making a total of \$17.60.

Fifteen dollars was also sent to Fauntleroy Home fund from district treasurer. Many clubs report members contributing to this fund.

The ladies of Elwood extended an invitation to the convention to meet with them in 1922, which was accepted.

The new officers are:

Mrs. Fred Meeker, of Portland, Chairman.

Mrs. Dr. Pretlow, of Winchester, Vice-Chairman.

Mrs. Minnie McKee, of Portland, Secretary-Treasurer.

REPORT OF THE NINTH DISTRICT

Mrs. J. T. Boyer, Waveland Chairman.

The retiring Chairman of the Ninth takes pleasure in reviewing a year of splendid work. There have been no startling developments, but earnest effort and quiet adjustment to new relations of citizenship. While no new clubs have joined the State Federation during the year, many unfederated clubs have become members of county organizations. There are three strong county Federations, one city Federation and two large and efficient Department Clubs in the District. The forty-nine clubs have a membership of 2025.

The District Convention held at Frankfort was one of unusual interest and inspiration, both in point of program and attendance, 425 delegates and visitors registering. The women of Frankfort, under the leadership of Mrs. H. F. Campbell, Chairman of Clinton county, left nothing undone for the pleasure and comfort of the guests and for the success of the convention.

On the program were a Trustee and a former President of the State Federation, a delegate to the Biennial, and fraternal

representative from both the State Home Economics Association and The Business Women's Federation of Clubs. All of these gave helpful and interesting talks.

The presence and pleasing personality, and the strong and forceful address of our State President, Mrs. E. C. Rumpler, gave added interest and strength to the program. She implored the women not to forget, but ever to carry forward the great purposes and high ideals for which the Federation stands.

Mrs. Edward Franklin White gave an instructive address on Legislation, explaining and emphasizing many new legislative measures and bills in which women must interest themselves, and support at the polls. Mrs. Ida M. Mix, of Kokomo, followed with a talk on the same subject, setting forth needed legislative changes, giving interesting and humorous experiences while visiting the State Legislature, and relating some amusing changes in the attitude of legislators toward women as citizens. Instead of smoking them out of the Assembly room as formerly, they now pass the chocolates.

The music was a characteristic feature of the convention.

REPORT OF THE TENTH DISTRICT

Mrs. Harry F. Little, Chairman.

The report of the Tenth District is given as a whole. The faithful work of the County Chairmen and Club Presidents has made this possible.

The Executive Committee has held five meetings this year. These meetings have been well attended by the County Chairmen, and the result has been strong county organizations.

We now have sixty-four clubs in our County Federations—an increase of forty-four clubs this year. Our club women are eager to work with the district and the State. Through our County Federations we are able to reach 4,200 club women.

At Monticello, May 19th, the largest delegation recorded held the Eleventh Annual Convention. The day was not long enough to include everything we wanted to carry out in our program. At this meeting our Constitution was revised.

When the new Constitution was studied over and the part providing for a Council meeting was realized, the committee decided that what was good for a few would be better for all, and so voted to hold a District Reciprocity meeting along with the Council. Then came the invitation from the Remington Federation of Clubs inviting us to come to Fountain Park, where there would be room for all to stay as long as we might wish. They promised to arrange to make several hundred comfortable. It was impossible for all of us to accept this splendid hospitality, but between two and three hundred were present at the meeting. Now, the others, realizing a lost opportunity, are

already beginning to inquire about the plans for a similar meeting next summer.

Next year we want to carry our work a step further. We have become County conscious and District conscious. If the women in this glorious old State will stick together as we stick together in our Districts—if we are given a definite program—our numbers are great enough to accomplish anything we want done. We need to mobilize our minds and our energies as well. The Tenth District is holding out her hands to join the other twelve Districts to lift old Indiana to the plane of some of our ideals. We need the rest of the State and you need us.

REPORT OF THE ELEVENTH DISTRICT

Mrs. Edwin Miller, Chairman.

The Thirteenth annual convention of the Eleventh District was held at Marion in the Presbyterian Church April 14th, 1921. April showers did not dampen the spirits of two hundred interested and enthusiastic club women from the seven counties of the District. Grant County club women generously met all local expenses of the convention and by their thoughtfulness proved themselves expert hostesses. Music by Mrs. Myra Stewart Gordon and local talent added greatly to the occasion. Mrs. E. C. Rumpler spoke on "Federation," but deepened the impression she has made for sincerity and wholesome and logical thinking. Mrs. Julia D. Nelson, of Muncie, told of her interesting experiences as Indiana's one woman legislator. Mrs. DeMarchus Brown chose for her delightful lecture "Women Writers after the Civil War." Excellent reports were given by the Secretary-Treasurer, who reported not a delinquent club in the District and the County.

The following officers were re-elected:

Mrs. Edwin Miller, Peru, Chairman.

Mrs. Fred Garthwaite, Gas City, Vice-Chairman.

Mrs. W. J. Whitelock, Huntington, Secretary-Treasurer.

Peru will entertain the next Convention.

The Eleventh District has sixty-five federated clubs, twenty-six hundred club members studying and doing things worth while. Every county has an active County Chairman. Two counties—Miami and Pulaski—have County Federation and in every other county during the year federated clubs have entertained unfederated clubs or their friends. Mrs. E. C. Rumpler, President I. F. C., has been a guest in the District during the year four times, and Mrs. O. M. Pittenger, Second Vice-President, once. Seven clubs have joined the State Federation this year. Sales of articles made by the blind have been held by the Marion department club, netting \$188, and

the Mental Culture Club, Logansport, \$68.00. Various reliefs have received \$768.00. The clubs of Grant, Huntington and Miami Counties have materially aided visiting nurses and tuberculosis societies. Hospital and library grounds have been beautified and library equipment and books provided. The District will shortly publish a Club Directory. The club women have voiced their desire to carry on in these many ways and it is a privilege and an inspiration to be associated with them.

REPORT OF THE TWELFTH DISTRICT

Mrs. F. B. Park, Chairman.

The Twelfth District Indiana Federation of Clubs held the 13th annual convention on May 6th in the Presbyterian Church at Lagrange. In the business session of the morning, it was voted to raise the dues of the District Federation to \$1.50. Judging from the reports of individual clubs, the year has been a profitable one. All clubs have co-operated in all federation affairs.

At the luncheon hour, the customary toasts gave way to community singing.

The feature of the afternoon session was a talk by Senator Albert J. Beveridge on "The Primary." The church was indeed crowded to hear the message of our prominent statesman. Following this, our gracious President, Mrs. Rumpler, gave us her Federation message.

The officers for the ensuing year are: Mrs. Wm. Porterfield, Chairman; Mrs. Carl Gilbert, Vice-Chairman; Mrs. Wm. Morris, Secretary and Treasurer.

There was one county convention held during the year in Whitley County.

Our District Federation includes thirty-nine clubs, all but four of which are state federated.

REPORT OF THE THIRTEENTH DISTRICT

Emma W. Phillips, Chairman.

The key-note in the Thirteenth District for 1921 is Federation. Seventeen clubs have joined the State Federation since Dec. 14, 1920. Ten of these clubs are from our own St. Joseph County; no county in the State in the history of the federation has surpassed this record. These clubs are:

- Center Township Home Economics.
- Sumption Prairie Home Economics.
- Clay Harris Home Economics.
- Roseland Home Economics.
- Mount Pleasant Home Economics.

Portage Home Economics.
Crumstown Home Economics.
North Liberty Home Economics.
Delta Beta Phi, New Carlisle.
Woman's Community Club of Walkerton.

Marshall County has given two clubs:

Bourbon Culture Club.
Argos Home Economics.

Kosciusko County, two clubs:

The Wednesday Afternoon Club of Syracuse.
The New Century Club of Pierceton.

LaPorte County, two clubs:

The Rolling Prairie Home Economics.
Washington Township Woman's Club.

Elkhart County has given one club, namely, "The Current Events Club of Nappanee."

The District Chairman visited six of the seven counties and talked federation whenever and wherever possible.

Many of the clubs are doing Americanization work. One club in St. Joseph County followed Mrs. Winter's suggestion, celebrating the Fourth of July with a welcome to the foreign born citizens who were naturalized during the year. Also seventeen boys and girls who became of age during the year were welcomed as Americans.

A number of clubs assisted in selling articles made by the Blind.

The Clio Club of Warsaw, in order to perpetuate loyalty and patriotism, have invited the American Legion to a banquet on Armistice Day, the expense to be born by the club.

I must mention some of the projects fostered by the federated clubs of Michigan City:

Furnished prizes for Musical Memory Test in the schools; and provided two concerts by local talent.

Placed Nutrition Nurse in the schools for one year at a cost of two thousand dollars and paid for same.

Warden Fogarty offered the Prison Chapel and prison talent, who put on a Minstrel Show and the clubs cleared \$1,200.

A Hoover Dinner, where they charged \$5.00 per plate. All clubs donated food; they made over \$3,000.

Near East Relief: Clubs gave Social Concert, tickets as much as any one wanted to pay; sent over \$500 to headquarters.

For charity—organizations made over \$1,000.

Two clubs of South Bend, the Progress Club and the Woman's Club, gave fine art exhibits during the winter.

Plans are under way to complete the planting of Memorial trees along the Lincoln Highway. In the sale of trees in St. Joseph County, Mishawaka was the first to go over the "top" selling her full quota of 480 trees. Federated clubs are assisting in this work, especially the Colfax Memorial Mile, which is their especial pride. St. Joseph County expects to dedicate these trees on "Armistice Day" to the soldiers who made the supreme sacrifice in the world war.

The Mishawaka Woman's Club was hostess to the Eleventh Annual Convention of the Thirteenth District, which was held May 14th at the Presbyterian Church in Mishawaka.

After registration the convention was opened by community singing, followed by reading of club collect.

Reports of officers, county chairmen and special committees were given during the morning session.

Our State President, Mrs. E. C. Rumpler, gave a splendid address on Federation.

Mrs. Drummond, State Treasurer, gave greetings.

Election of officers resulted in the re-election of Mrs. George W. Phillips, Chairman; Mrs. Claude Steele, Vice-Chairman; Mrs. Richard Elbel, Secretary; Mrs. W. K. Sherman, Treasurer.

A memorial for Mrs. W. W. Reed was given by Mrs. Daggendorf.

Every club woman remembers the splendid work in the District and State by Mrs. Reed.

The principal address of the afternoon was given by Miss Estelle B. Hunter, of Chicago, on the "Federal Children's Bureau."

The Indiana Home Economics Association was represented by Mrs. H. J. Dellar, who gave a comprehensive resume of the work being done among the rural population of our State.

The Chairman of Highways, Mrs. L. S. Fickenscher, gave report on the Lincoln Highway.

Mrs. F. B. Barnes gave the story of the Co-operative Committee for the Blind.

We were gratified in having a large representation of past officers and members of State Committee in attendance.

Warsaw will entertain the Thirteenth District Convention in 1922.

REPORT OF THE CREDENTIAL COMMITTEE

October 19th-21st, 1921.

Officers attending.....	8
Honorary Members.....	6
District Chairmen.....	9

REPORT OF THE COMMITTEE ON RESOLUTIONS.

Resolutions.

WHEREAS, The Indiana Federation of Clubs, in its Thirty-Second Annual Convention assembled, recognizes that the world is just recovering from a period of tremendous struggle and that the people of our land are facing one of the greatest crises since the birth of our nation, and

WHEREAS, It further recognizes that the solution of the difficult problems presented, depends upon the wide dissemination of proper information,

BE IT RESOLVED, That the constituent clubs of the Indiana Federation of Clubs, in the coming year's work, place especial emphasis upon the study and solution of the vital questions of the home, of the community, of the state, and of the nation.

WHEREAS, the effort to approximate a state of peace throughout the world appeals strongly to women as the most important movement of our time, and

WHEREAS, The success of such a movement would be the most fitting of all memorials to those who fought in the hope that the recent world war would end war; and

WHEREAS, The enormous burden of competitive armaments not only creates and perpetuates mutual suspicion and distrust, but is leading all nations, including our own, towards bankruptcy with its inevitable consequences of anarchy and Bolshevism,

THEREFORE BE IT RESOLVED, That the members of the Indiana Federation of Clubs in convention assembled at Muncie, Indiana, hereby express their appreciation to President Harding for calling an International Conference to be held in Washington next month for the purpose of planning for a reduction of armament by all nations.

BE IT FURTHER RESOLVED, That the Federation respectfully but very earnestly urge that the Conference do not adjourn until some definite steps toward the establishment of permanent world peace shall be taken.

WHEREAS, July the fourth, the birthday of our nation, has been set aside as a national holiday, and

WHEREAS, the tendency is to lose sight of its real significance,

THEREFORE BE IT RESOLVED, That the clubs of the Federation co-operate with other organizations in making the celebration of July the fourth a fitting tribute to our nation

and a fruitful lesson in citizenship to native-born young men and women and to aliens who are assuming the responsibilities of citizenship in our Republic.

WHEREAS, Much of the so-called popular music of today has become an evil which exercises a pernicious influence in our homes and communities,

BE IT RESOLVED, That each member of the Indiana Federation of Clubs pledge herself to use her influence for better music in her home, club, school, Sunday school, and in the dance hall and picture theatre of her community.

WHEREAS, Crime in all its details is given much space in our newspapers, and

WHEREAS, The newspapers print what the public demands,

BE IT RESOLVED, That the individual members of the Indiana Federation of Clubs use their utmost influence to discourage the perusal and discussion of detailed accounts of crime.

WHEREAS, THE club women of Indiana believe that the Bible should be familiar to our boys and girls because of its literature, its history, its moral and spiritual standards, and

WHEREAS, The State of Indiana offers two one-year courses in Bible study and grants one credit to high school students for the completion of either year's work,

BE IT RESOLVED, That the Indiana Federation of Clubs record its approval of this provision, and that it urge club members to acquaint themselves with the details of the plan and arrange for this opportunity of study to be offered to the boys and girls of their respective communities;

BE IT FURTHER RESOLVED, That the granting of another credit on the satisfactory completion of the two courses be recommended by the Federation.

WHEREAS, Indiana, whose statehood covers more than a century, has many places rich in historical interest, and

WHEREAS, Time is slowly but surely obliterating the old landmarks,

BE IT RESOLVED, That the clubs of the Indiana Federation take as an essential part of their work the placing of permanent markers for the information of future generations.

WHEREAS, The death rate in Indiana from tuberculosis is higher than in states adjoining, and

WHEREAS, Tuberculosis can be checked if proper methods are followed,

BE IT RESOLVED, That the Indiana Federation of Clubs endorse the program undertaken by the Indiana Anti-Tuberculosis Association to stop the spread of the disease, and

BE IT FURTHER RESOLVED, That the Federation pledge its aid in the annual sale of Christmas seals for the support of this work.

WHEREAS, Plans have been made for the building of the James Whitcomb Riley Hospital for Children, and

WHEREAS, Hundreds of children in the State of Indiana need hospital aid not now available,

BE IT RESOLVED, That the Indiana Federation of Clubs express its hearty approval of the James Whitcomb Riley Hospital project and that it pledge assistance in the dissemination of information concerning the hospital plans.

WHEREAS, The Thirty-Second Annual Convention of the Indiana Federation of Clubs was made eminently profitable and enjoyable through the courtesy and co-operation of citizens of Muncie,

BE IT RESOLVED, That the Convention of 1921, in its closing session, express profound appreciation of the excellent local provision made for the convention and of the kindness shown to members of the Convention by the club women of Muncie and of all Delaware County; that grateful acknowledge be tendered the Matinee Musicale of Muncie for the music of the convention and for the program rendered Wednesday afternoon; and

BE IT RESOLVED, That gratitude be expressed to the Boy Scouts of Muncie who served so efficiently as messengers, to the young women who gave such courteous assistance as pages and ushers, and to the trustees of the High Street M. E. Church who granted the use of the edifice for the convention, and to the management of the Hotel Roberts for headquarters accommodations; and further, that especial appreciation be expressed to the business men of Muncie for favors shown the convention, and to the Kiwanis Club and the Exchange Club for beautiful flowers.

BE IT RESOLVED, That The Muncie Star, The Muncie Press, and other papers of the State whose representatives gave constant considerate service to the convention, be informed of the convention's appreciation.

WHEREAS, The program of the convention throughout was of eminent merit,

BE IT RESOLVED, That the sincere gratitude of all members of the convention be expressed to the Program Committee, who brought to the convention the inspiring addresses of Mrs. Winter, Mrs. Pennybacker, Mrs. Berry, and Mrs. Oberndorfer of the General Federation, and the splendid contributions from the women of Indiana.

EMILY GOLDTHWAITE,
ANNA A. CLARK.

Committee on Resolutions.

FEDERATION EXTENSION

Mrs. O. M. Pittenger, Chairman.

The chief effort of the year has been to complete the county organization; to get in touch with unfederated clubs; and to hold the clubs already gained.

Four letters were prepared and mailed to all unfederated clubs of which we had knowledge.

Thirty-one county chairmen sent in county reports. This number is small but the county organization work is new.

Whiting, Madison and Delaware counties report township meetings.

Clarke County strong on Parent-Teacher organizations.

Madison County lead all others in money given by clubs for the starving people of the world.

The Extension Chairman has spoken in twelve counties, and before fourteen unfederated clubs.

Expense account donated.

REPORT OF MOTION PICTURE COMMITTEE

Mrs. David Ross, Chairman.

To the club women of Indiana belongs the honor of having started the constructive method of placing motion pictures on a higher plane. It was started by a group of club women of the Seventh district. To-day colleges, schools, churches, philanthropic organizations all over the country are calling for lists of pictures and literature.

The public has practically eliminated the vampire pictures and will not go to see the girls who do nothing but look pretty. The public has shelved the sex and horrible war pictures and wants good, clean comedy. This is the best patronized.

Taste is a matter of culture, education and refinement. What is vulgar and commonplace to one teaches a lesson to

another. You may not like all pictures, but all of you will like some of the pictures.

Every club in this state should have a committee keeping in close touch with the exhibitor, calling for lists of good, worthwhile pictures and asking that they be shown at every neighborhood house.

The Bureau of Visual Instruction of Indiana University has a splendid list of films which are worth while. Have your clubs write and ask for them.

Your picture committee recommends that to safeguard morals you have to have your motion picture house light enough to see over it: that you insist that some one be on the inside to maintain order.

Health pictures should be made and sent out under the supervision of our Health department, not by individuals appealing to the sensational to make money. Our State Board of Health has pictures on Social Hygiene which can be obtained free of charge.

I believe in helping all we can to obliterate the Social Disease evil but absolutely do not believe in the horrors of vice to be introduced on for our commercial profit. We cannot teach modesty by showing immodesty. Our young people have the right to the same romance, sentiment, and high ideals that we had and I believe that we are doing wrong when we shatter these ideals.

REPORT OF ENDOWMENT FUND COMMITTEE

Miss Vida Newsom, Columbus, Chairman.

The Endowment Fund Committee, with this final report, completes the duties for which it was created and passes into history. The committee has served faithfully and earnestly, all the way, and has been duly appreciative of the co-operation of the club women throughout the state in their efforts to attain the original \$10,000.00 goal, which amount was exceeded two years ago.

However, the total amount of the Fund, at the present time, due in part to the accumulation of interest, is \$12,000.00, all of which is invested in Liberty Bonds. Of this amount, \$11,000.00 is invested in bonds of the First, Second, Third and Fourth Liberty Loans, bearing interest at four, four and one-fourth per cent, and \$1,000.00 in the Victory Loan, drawing four and three-fourths per cent interest, annually.

These bonds are in the care of the Fletcher Savings and Trust Company, at Indianapolis, the entire amount having been transferred from the Endowment Fund Committee, through its treasurer to the Indiana Federation of Clubs, in the name of the Treasurer, Mrs. Charles P. Drummond. The income from

this Fund is, therefore, available, and to be "used to promote the work of the Indiana Federation." in accordance with the original resolution, adopted at the State Convention, October, 1914, providing for "the creation of an Endowment Fund."

Financial Statement

The itemized report of the Treasurer of the Endowment Fund Committee, Mrs. S. E. Perkins, as to the status of the Fund immediately preceding the transferral of the bonds to the Indiana Federation of Clubs, about October 13, 1921, is as follows:

Amount of Fund invested in Liberty Bonds.....	\$11,150.00	
Amount necessary to complete \$12,000 total.....	850.00	
		\$12,000.00
Cost of \$850 in Liberty Bonds.....	\$806.96	
Current Fund.....	\$360.58	
For \$85 face value W. S. S.....	75.76	
Interest	241.51	
Balance on hand.....		677.85
Needed to Complete Purchase.....		\$129.11

In order that the formalities connected with the transferral of the bonds might be completed before the State Convention, and on advice of the banker, the Endowment Treasurer gave her personal check for the \$129.11, accepting in exchange a portion of the amount of interest coupons, due November 15. The balance of the interest, due on that date, \$80.73, has been forwarded to the Treasurer of the Federation, with the receipt for the Registered Bonds, amounting to \$12,000.00, the total of the Endowment Fund.

REPORT OF THE CO-OPERATIVE COMMITTEE FOR THE BLIND

Mrs. E. K. Montgomery, Chairman.

The Chairman of this Committee is happy in being able to report the best year's work since the organization of the committee. Never before has there been such a fine response from the members of the committee, more clubs have co-operated with the committee and more sales have been held than ever before.

The Committee co-operates with the Indiana Association of Workers for the Blind in putting on its program of social wel-

fare work and with the State Board of Industrial Aid for the Blind in establishing industrial centers for the blind and marketing the needlework, rugs, basketry, etc., of the women. The following sales have been held since the 1920 State Convention:

Fort Wayne	\$1,005.44
Bloomington	238.59
Seymour	113.02
Marion	188.40
Cambridge City	60.17
Mt. Vernon	49.10
Shelbyville	65.24
Terre Haute	142.14
Monticello	27.94
Richmond	113.18
Indiana Harbor	46.64
Logansport	66.29
Worthington	17.78
Rockville	33.25
Petersburg	4.75
South Bend	434.60
Brookville	36.10
	\$2,642.63

Noblesville, Covington and Westfield have just recently held sales but their reports are not in. South Bend, Evansville, Marion and Indianapolis are planning to hold sales between this time and the holidays.

Evansville has a splendid organization of 1,500 members, both seeing and blind people, which is the outgrowth of the club women's endeavors. They have established a workshop known as the "Light House," where blind people carry on broom-making, chair-caning, rug-weaving, etc. Monthly meetings are held where entertainment is furnished the blind members. The business men of the city have become so interested in the project that they are giving their time, money and best thought to it and are serving as officials. Terre Haute, besides, its social welfare work, has established a workshop where blind men weave beautiful rugs. The Indianapolis Department Club, through its Community Welfare Department, has established a club of blind women known as the Monday Section, whose membership is 50, and who meet monthly at the club-house, where they are entertained by women of the Welfare Department with programs of music, lectures, readings, teas, luncheons, etc. This department organized a motor corps, which, in the words of the chairman, "has accepted its responsibility as seriously as the corps organized for war work." Fort Wayne, under the leadership of the chairman of the work in that district, always puts on the largest sale of any town in the state,

and has a fine organization for the entertainment and welfare of its blind citizens. South Bend and Mishawaka have an Optimist Club whose members are the blind people of both towns, who are given entertainment by the club women of both towns. The club women have organized a motor corps for carrying the members of the Optimist Club to and from the meetings. They furnish entertainment of various kinds and have been able to furnish help to individual cases. The Mishawaka Women's Club has extended an invitation to the Optimist Club to attend all of its meetings.

The members of the Federation's committee feel that one of the best results of this work is the manner in which women all over the State have informed themselves and so know what conditions and what legislation are best for the real welfare of our blind citizens.

REPORT OF BULLETIN COMMITTEE

Mrs. John Paul Ragsdale, Chairman.

There were six editions of the Indiana Federation of Clubs Bulletin, each edition containing eleven hundred copies. The Bulletin was sent to all State Officers, the District and County Chairmen, all members of State Committees, the presidents of all Federated Clubs, all Officers of the General Federation, and to all State Presidents. Fifty-two subscriptions at fifty cents totaling twenty-six dollars were received and the money turned over to the State Treasurer.

REPORT ON ACTIVITIES OF RECIPROCITY BUREAU

Miss Mary B. Orvis, Chairman.

The Reciprocity Bureau answered 135 requests for assistance from November, 1920, to November, 1921. These requests came chiefly in the spring from clubs desiring help in the planning of their programs. The following types of help were given: the Bureau served as a clearing house for printed club programs, collecting them and sending them out upon request of clubs desiring to know what other clubs were doing. The Chairman also wrote a great many letters of suggestion. Far more important than this, however, was the work that the Bureau did in putting club members in closer touch with the Extension Division of Indiana University.

The Extension Division at Bloomington is so organized as to be able to meet practically every need of a club. First, it maintains a free advisory service in the planning of club programs; and issues guided study outlines with references on such subjects as Americanization, the League of Nations, disarmament and the Japanese question, covering a range of several

hundred subjects suited to club study along economic, social, educational and political lines. It also maintains a program service along literary lines. Second, the Extension Division offers club members help in the actual preparation of their papers. It will send upon request, free of charge, bibliographies and package libraries consisting of from 10 to 50 pieces of literature—up-to-date clippings from authentic pamphlets, reports, and magazine articles. Literally hundreds of these package libraries are available to club women.

While the Reciprocity Bureau formerly functioned, I believe, as merely a clearing house for the collection and distribution of printed club programs and club papers, at present it is doing very little work of this sort. Believing that the practice of passing on papers, often out of date, from one club to another, was a bad one; and that club women could profit much more from the preparation of their own papers, with the Reciprocity Bureau giving them all possible assistance from the State University, we have emphasized always this educationally constructive and up-to-date form of service. Filling the few calls that came in for second hand club papers, we have in each case written the applicant telling her of the opportunities offered by the University.

Lack of space forbids our going into detail as to the other types of service which the Extension Division offers to club women, such as the use of highly artistic and educational motion picture films, at a ridiculously low rental cost; or the free use of some excellent art and public health exhibits; and the service of lecturers at a nominal fee. Suffice it to repeat, that the Extension Division at Bloomington, is organized to meet practically every educational need of club women.

It is, therefore, the recommendation of the Chairman of the Reciprocity Bureau, that the present close co-operation with the University be continued. The Bureau is chiefly an agency for putting club women in touch with the resources of the University. By writing directly to the Extension Division of Indiana University at Bloomington, club women may obtain practically any of the services which they would get by writing to the Reciprocity Bureau in Indianapolis and obtain them with less delay. However, the Chairman of the Bureau will continue to answer calls for help to the best of her ability.

DEPARTMENT OF EDUCATION

Mrs. Blanche Foster Boruff, Chairman.

It was so late in the Club year when the Chairman of the Department of Education took over the work, that the policy of the former Chairman has to a great extent been carried out. The work of the Chairman has been more co-operative than initiative, but it seems that with the numerous committees we have we still lack one. I do not know whether the Department of Education is the place for it or not. I do not know what we should call this Committee, but the question comes to my mind is the Federation going to raise the standards for women, it is said that last year 23,000 girls were lost in America. Now who is going to raise the standard if we do not? It has been said that unless mothers wake up to the danger in three generations, the American home as an institution will be a thing of the past. An article in a recent educational journal says that it is because mothers no longer supervise their daughters. Mind you, we are talking of girls, not about boys. In a survey in a mid-west town there were only thirteen mothers out of sixty-five who knew where their daughters were at 10:30 at night. These girls were of school age and belonged not to the poor people, but to the best families in the city. The automobile and the picture shows are cited as reasons why mothers have deserted their homes and girls. I was much amused at a picture in a recent magazine. The picture showed three young girls, such as we see in our high schools, skirts nearly to their knees, high heels and lace hose. Each held a parasol over head hiding her face. Then the parasols were dropped and the picture showed grandmother, mother and daughter. At first I laughed, and then I wondered to myself what influence a woman could have over her own daughter when she did not have respect for herself. We no longer have time for the social hour after dinner, when all the happenings of the day are talked over. There is no longer time for gathering around the fireplace, and there is no time for family worship. I am heart and soul with the President of the State Parent-Teacher Association now in session in Indianapolis in her effort to have the state teachers' association co-operate in abolishing bare knees, rolled stockings, and low neck dresses for the school children. However, no amount of talking and of passing resolutions will bring this to pass unless mothers decree it shall be so. This is a plea for all mothers to be the good old-fashioned mothers, such as many of you are, by divine right every mother is the censor of her own children, and no mother can ever delegate that responsibility to another.

REPORT OF LITERATURE COMMITTEE

Mrs. James Wilson, Chairman.

The purpose of the Literature Committee is to bring to the individual clubs the message that the study of good literature is one of the best means of progressive education and of developing one's personal service in all public capacities.

There are many suggestive programs, outlines, and pamphlets filed with the chairman which may be helpful and are at the disposal of clubs in the preparation of programs. Many more may be secured from the General Federation Chairman of Literature. The Extension Div. of Indiana University and the State Library at Indianapolis, have placed their resources at the disposal of Club workers in preparing programs and in supplying materials for aid in preparing papers on subjects suitable for programs.

The Chairman suggests that a Literary Survey of all Districts be made by the District Members of the Literature Committee and that they submit a report at their next District Convention, the name and record of those whom they consider have contributed to the Literature of the State.

The Chairman also suggests as a stimulus to the study of Literature that the various Districts offer prizes for essays by school children on some great Literary, Biblical or Historical characters; and that prizes also be offered for the writing and presenting of pageants portraying great Biblical, Literary or Historical characters or events.

POLITICAL SCIENCE COMMITTEE

Mrs. Edward Franklin White, Chairman.

The activities of the Political Science Committee of the Indiana Federation have been to a great extent merged in those of the Legislative Committee of the General Federation of Women's Clubs. All material published or sent out by the General Federation is available for clubs in this state as well as any other state. The General Federation is vitally concerned in the passage of several bills in Congress and the help of every state is necessary to accomplish this. The realization of their power in shaping legislation, both state and national, is the best political education that women can acquire. Their co-operation in a common purpose has been the aim of the committee this year.

In Indiana, efforts were made this summer to get out a large vote of the women on the Constitutional Amendments. The results were pitifully inadequate. If all the votes cast in the state at the Constitutional Amendment Special Election had been cast by women, it would have represented less than

one-third of their voting strength. Estimating liberally that one-half of the voters at the Special Election were women we may say that less than one-sixth of the women electors of the state showed an interest in these vital questions.

The benefits of party organization were demonstrated, when at the first registration day, less than a week after the Special Election, with very little newspaper publicity, the registration for municipal elections was greatly in excess of the vote at the Special Election, with another chance at the registration besides.

The Political Science Quiz Book, which has not been revised since its third edition is still popular and is being used all over the United States. It contains an outline of study of political science, and questions thereon.

A few of them are still on hand, and may be secured by writing to the chairman, at the State House, Indianapolis.

LIBRARY EXTENSION

Miss Margaret A. Wade, Chairman.

During the past year or two our Indiana Libraries have had brought home to them the real meaning of the familiar words, "straightened circumstances." It is largely due to these conditions that greater things have not been accomplished along the line of library extension. Readjustment of our tax laws has made existence somewhat difficult for many libraries of the state, yet your chairman has some encouraging features to present.

Fifteen library meetings were held during the year in the different districts, and at all of them the attendance of trustees and librarians was most gratifying. Many of those who attend these meetings are club women, for most of the trustees are members of one or more clubs and many of the librarians are club members. The women's clubs are always well represented at the state conferences of the Indiana Library Trustees Association and the Indiana Library Association.

The Secretary of the Indiana Public Library Commission has signified his willingness to attend district meetings of the Federation of Clubs and give club members definite information about library conditions in their own districts, and to advise them as to possibilities in the way of extension of library service. Few districts took advantage this year of the opportunity. Your chairman recommends that every district chairman of the Federation invite the Secretary of the Public Library Commission to the next district meeting and arrange to give him a place on the program.

The Public Library Commission will be better prepared this year to handle the work with the school libraries throughout the state. They have recently added to their staff Miss Della

Frances Northey, of Mankato, Minn., who will take charge of the High School library work for the Commission. Miss Northey has done county work in California and Oregon and is well qualified to look after this important branch of extension work.

Several new public libraries have been launched this year; one at Centerville, one at Edinburg, at Lynn and at Stilesville. Several of these extend their service through their own townships and Brookville, Butler, Otterbein, Columbia City, Piercetown and South Whitley will have tax support from additional neighboring townships.

Libraries at Evansville, Madison and Rochester are getting their new county work under way. In Fort Wayne the new county work has opened with Miss Metz in charge and under her efficient supervision important development is anticipated.

Campaigns for county extension were carried on in Muncie, Bluffton and Peru but nothing definite resulted in these cities. County library work in Indiana is in its infancy. This is the most important feature of library extension for club women now to consider. Their encouragement and their active help should be given along this line. Those living in communities having public libraries do not realize how badly the smaller towns and the rural communities need books. If each chairman would bring this subject before the club women of her county and get them thoroughly interested it would not be many years before every family in every county in Indiana would have the benefit of efficient library service.

Your chairman has not received reports from all of the districts of the state. From several have come the statement that while the women's clubs gave the most valuable aid in starting the library they have since that time taken little active part in its development. From others there are very interesting reports of individual club work done in the interest of the local library. Cambridge City reports that the Helen Hunt Club, pledged to raise within two years \$500.00 toward purchasing a site for the library, has exceeded this amount by \$200.00 and they expect to add more.

In Anderson, at the suggestion of the Chairman of the Education Committee, Mrs. Boruff, the Hawthorne Club inaugurated this summer, with the co-operation of the library, a course of summer home reading for boys and girls in the grades. Those who completed the required course of reading are to receive diplomas and will be given credit at school. This work will be continued next year, and it is hoped that clubs in other cities will do something along this line.

Next month comes Children's Book Week, in which club women always take an interest. The General Federation has suggestions for programs for the week which will be helpful to clubs. These suggestions may be obtained from Miss

Mary L. Titcomb, Chairman of the Library Extension Department, Hagerstown, Maryland.

There are many sides to this question of library extension and your chairman calls upon the club women of Indiana to renew their interest in library affairs, and suggests that every club include on the year's program a "library day," giving special attention to two very important questions—that of the county library, and to better tax support for libraries. Quoting from the report sent in by one district chairman on this committee, "Club women, with their newly acquired suffrage, must see that enough money is set aside for the proper maintenance of libraries and not let the libraries be crowded into the background by road taxes, school taxes, bridge taxes and every other kind of taxes that the active and experienced brain of man can devise." The library in that community must have been one of the sufferers as this woman evidently had considerable feeling on the subject.

There is now no doubt that libraries have justified their existence, and if they are worth anything they are worthy of an income large enough to enable them to continue their existence and to do effective work. We must not be satisfied until every library has sufficient funds to put it on a real business footing and until it is extending its service to every point within reach.

REPORT OF HISTORY COMMITTEE

Mrs. E. W. Barrett, Chairman.

The History Committee is glad to record the rising tide of interest in historical matters throughout the state. Clubs are taking up definite history study, and historical societies are organizing or re-organizing in many communities.

Among local chronicles appears one specially noteworthy in the Indian history of Delaware Co., by Captain Francis VanNatter, a most sympathetic story of the Delaware tribe and their Shawnee guests, Tecumseh and the Prophet.

The special task of Indiana clubs during the coming year is the purchase of the cradle of the club movement, the old Fauntleroy home in New Harmony. The work is well planned on the basis of \$1 per clubwoman and this definite work each club is urged to do promptly.

The History Department rejoices in the renewed interest in this and other efforts at preserving historical spots, and urges that clubs mark these places by tablets.

Clubs are also urged to continue to foster an interest in local history and that they keep on file the historical material which they compile for constant reference.

AMERICANIZATION REPORT

Miss Lillian Berry, Chairman.

The process of Americanization is like woman's work in that it is an unending task. The goal set is a better America for better Americans. This means constructive measures for the betterment of life—physically, morally, and intellectually. It means a rededication to the ideals which have been the glory of America and the putting of these ideals into practice in every act of our lives—in church, school, state, business and society. It means a consecration to the new ideals that changing conditions have brought about—"Through the ages one increasing purpose runs, yet the thoughts of men are widened with the process of the suns." America's decision to live in a house by the side of the road and be a friend to man as seen in her care of Cuba, of the Philippines, her entrance into the world war, and, after the war her great relief ministrations, marked America as having adopted another ideal—the good of humanity. Another ideal that developed during the war was co-operation and team work. The need of a unifying language as a national ideal became most apparent for the first time during the war. It is to be hoped that future generations may say also that World Peace was an American ideal.

Why is this rededication and fresh consecration necessary? The reason is all too apparent and he who runs may read it in the story of constantly increasing disrespect for law; of the carnival of crime that is holding sway; of ruthless profiteering; of riotous spending; of loss of habits of industry and thrift; of discord between capital and labor; of an amount of illiteracy not consistent with freedom; and of general unrest and loss of moral tone. The remedy for these distressingly un-American symptoms could be found in the slogan announced recently by the London Times—"Back to God"—but God works through human agencies.

One of the most potent of these agencies is the Federation of Women's Clubs upon whom devolves because its slogan is the betterment of living, a part of the great task of leading the public back to the right thinking which holds higher standards of morality and intellect and which has a passion for righteousness.

The American people need to examine their much cherished ideals to see if their thinking along these lines is right and characteristically American. Take, for example, that ideal dearest to the hearts of all—liberty. There is an ever growing tendency to interpret liberty as license. The speakers at the last meeting of the American Bar Association sounded the warning note of the danger confronting America in the revolt against law and order as shown in the increase of crime and lawlessness. The Eighteenth Amendment is a case in point.

Ridicule, resentment and revolt against this law of our land is fostered even by people who regard themselves as law abiding. The people of this country must get away from this perverted idea of freedom. America's liberty is founded upon the principles of right enunciated in the thunders of Mount Sinai, and upon the teachings of the Gentle Nazarene on the hills of Gallilee—that the brotherhood of man allows each man to attain his greatest spiritual height but not thwart his fellow-man's chance to life, liberty, and the pursuit of happiness.

So too is the case of America's much praised equality. The rising generation must be taught to think that equality is achieved. America's hope is to make conditions such that all her citizens have equal opportunity and equal responsibilities.

Justice can never be realized as an American ideal until each citizen finds justice not merely before the law, but in fair wages, time for rest, decent living conditions, and equal educational opportunities for all.

Respect for womankind is going to cease to be an American ideal if women persist in getting away from the fine womanly standard that American women have always represented. The new hard earned political freedom of woman is being interpreted by an increasing number of women as license to do the things that are not lovely in women. Were Susan B. Anthony alive she could say with the captain of the guard in answer to Paul, "With a great price bought I that freedom." But that freedom was not the freedom for women to punctuate their speech with swear words, which they imagine are snappy; to smoke, or to wear forms of dress that leave little to the imagination. The club women of America with American ideals at heart should set their faces resolutely against this modern tendency to regard modesty as Mid-Victorian.

Another American ideal, respect for honest labor, is being gradually undermined by a class who thinks the world owes them a living without working for its treasures. This is a distinctly un-American attitude. American institutions were founded upon the philosophy that a man diligent at his business shall stand before kings. A wholesome respect for labor will help solve our momentous industrial problems as well as save our democracy.

Thrift is another ideal that has lost its prestige in the wild excesses of extravagance that recent years have seen.

Of all our ideals probably education has been held as the cornerstone of Americanism because of our forefathers' conviction that no man can hope to be free and ignorant at the same time. The rude revelations of the draft showed in some Indiana towns, more than twelve per cent of the persons over ten years of age are illiterate and therefore cannot enter into American thought. The same condition exists with ref-

erence to the English language. Recently in walking through a park in an industrial center in Indiana the writer heard some scores of persons speaking in foreign tongues and only two using English. These conditions are due to lack of laws providing for the education of adult illiterates, a provision that is being made in other states. Until such provisions are made the remedy lies in volunteer teachers who will carry the English language and the fundamentals of education to the mine and factory, where it will be made easy for the worker to avail himself of such advantages, and to the home where the mother may get a vision of the real America. The Federation of Women's Clubs can add no better activities to its already splendid list of achievements for the betterment of American life than that of being instrumental in removing illiteracy and its attendant evils from the border of our fair state.

Too long has the idea prevailed that God makes Americans, with the results that there has been no definite policy of guarding well and instilling in our foreign born as well as native born citizens the ideals that have made America the great country she is. The Federation of Women's Clubs has done well its work. But there is still much to do before Indiana attains the first place that is her traditional heritage.

REPORT OF THRIFT COMMITTEE

Julia C. Henderson, Chairman.

The introduction of a new line of study in club circles should be welcomed and pursued with much vigor and interest as many of the old ones have for the most part become threadbare and uninteresting.

However, the effort to enlist the club women of the State in the important subject of Thrift has been one of continuous and laborious effort, but I trust with more far reaching results than can be estimated, at this time.

Several of the districts have responded most admirably in this new line of educational endeavor and are finding not only pleasure, but untold profit in the pursuance of it; others are half-hearted, while some refuse to know or learn of its manifold benefits.

After a conscientious endeavor to forward the work for the past two years, together with the help of a most loyal committee, I am convinced that the real meaning of the Thrift movement has not been properly sensed by the club women of our State nor can it be until an honest careful study be made of it—such study as is given to other subjects, which the wisdom of our parent body has placed before us, for our earnest and continuous effort until the goal be reached.

I am proud of the efforts of my committee in their respective districts and their honest endeavor to bring fruition to their activities. You who have responded to their appeal are reaping the joy which comes from an endeavor to be of real service to the coming generations, for the movement is not for today, but will go down through the ages, making for a better citizenry, a more prosperous and diligent nation, a greater patriotism and a more healthful interest in the welfare of our country.

Too often have the club women responded to my appeal thusly: "Why ask us to be thrifty—we are the most thrifty people in the Nation today?"

But are you? Statistics will not prove it. According to Government returns the people of the United States spent for luxuries in 1920 twenty-seven billion dollars.

The Government figures for 1921 lists the amount spent on luxuries as follows:

Seven hundred and fifty million for face powders, cosmetics and perfumery.

Are you guilty?

Three hundred million for furs.

Are you wearing them?

Five hundred million for jewelry.

What is your answer?

Two billion for automobiles.

Have you one or more?

Two hundred and fifty million for ice cream.

You love it, don't you?

Sixty million for chewing gum.

I trust you are not guilty.

Three hundred and fifty million for cake and candy.

Can you deny this item?

Three billion for luxury loving services, and so on through a long list.

Can we club women deny our guilt on one or more of these counts? We know that we, for the most part, belong to a class that does just such spending as has been enumerated. However, we must admit that to omit such things from the program of life would be to reduce living to a hum-drum existence, and that is not our purpose or object, but would it not be far wiser to stop the foolish spending and have the real joy of putting at least a portion of our money into an investment which guarantees comfort and security in later years, as well as helping to build a safe financial foundation for our Government?

It is the purpose of the General Federation to make the subject of Thrift a part of the Home Economics Department, and in this action, the subject will be well placed in Indiana.

My last word to you would be to study the subject in its many and varied angles, taking as your motto "Save first and spend afterward," one which has brought comfort and joy to many, and then pledge yourselves to be an influence and help in spreading the gospel of Thrift to the coming generations, remembering that Thrift is but a new development in education, an education along financial lines which has been so sadly neglected throughout the years.

It is only fair to state that the 2nd, 7th and 9th districts in Indiana have been the most fruitful in Thrift endeavor.

May the committee into whose hands this work shall fall receive the satisfaction, the benefit and real pleasure of such service as has been mine and my splendid committee in the past two years.

REPORT ON MUSIC

Mrs. David Silverstein, Chairman.

Music seems to have taken a firmer hold on the minds and hearts of young and old over the State since last October. Reports are most gratifying. Thanks to the very able leadership of Mrs. Marx Oberndorfer, Chairman of Music of the General Federation of Clubs, outlines of various musical programs and circulars have been sent out and used by the club women of the State.

Miss Effie Harmon, director of music of the schools of South Bend, reports as follows:

1. About 200 school children were interested in a "Music Memory Contest." Prizes were offered by women's clubs, music dealers, the School Board and individuals.

2. The South Bend Symphony Orchestra appeared before the High and Junior High School students in a concert.

3. The operetta "Mikado" was presented by The High School Girls' and Boys' Glee Club members, assisted by soloists who were former graduates of the High School.

4. The operetta "Snow-White" was given by the pupils of the Junior High School.

5. The Annual Spring Festival is given to parents and friends of the school children. The choruses and orchestra selections are those which pupils have studied in regular class work during the year.

5. At each of the five Teachers' Institutes from ten to fifteen minutes have been devoted to community singing.

This fall Miss Harmon is planning another "Memory Contest" and "Spring Festival."

Mrs. Oberndorfer was one of the speakers at the September Teachers' Institute.

The LaPorte Amateur Club has held monthly musical programs and furnishes the program of music for the grade and high school assemblies.

Petersburg works to keep the standard of music high and to further interest in it.

Clinton centers its musical activities upon the schools and has been so successful in arousing the interest that students continue their musical education outside of school hours. Clinton supports an Italian and an American band.

The music department of the L. L. S. Department Club of Brazil had a very interesting and successful season in 1920-21. We held nine meetings, one each month, studying Russian and Norwegian music. Two evenings were devoted to student programs and were quite successful.

During the season Lieurance's Little Symphony Orchestra was presented by our organization thereby furnishing our small community an opportunity to hear some worth while music and also netting a considerable sum for us. We started the plans for a concert course to be given this year.

The music section of the Terre Haute Department Club has again engaged Miss Anna Hulman for a series of lectures on music. Terre Haute has held community sings and band concerts in the city parks throughout the summer.

Altogether the outlook for music in Indiana, as you can judge from these reports, is most encouraging.

REPORT OF DEPARTMENT OF CONSERVATION

Mrs. W. J. Torrance, Evansville, Chairman.

The program of this department has been:

To improve the community in appearances and recreations by working for health and happiness, and

To develop an appreciative understanding of natural resources and secure legislation that will insure their intelligent conservation.

DUNES PARK COMMITTEE

Mrs. Frank J. Sheehan, Chairman.

During the past year, the Dunes Park Committee has continued to work for wider publicity favoring the creation of a STATE PARK on the shores of LAKE MICHIGAN. The Chairman has made eleven addresses in the State, attending the County Conventions of Lake and Marshall and the Sixth District Convention in Richmond.

The efforts of the Committee were, however, concentrated on the 1921 session of the Legislature. Both Ex-Governor Goodrich and Governor McCray had recommended to the Legis-

lature in their respective messages that some favorable action should be taken by the State without further delay, and with this encouragement, we spared no effort. Letters and Dunes Literature were sent to each Legislator; likewise letters, some five hundred and fifty in all, were sent to County and District Chairmen and to the individual club presidents, asking these club women to write their Legislators to favor and further the conservation of the Dunes as a recreational centre for the CITIZENS OF INDIANA. There was a splendid response from the club women. A conference of those interested was called by the Governor and attended by your Chairman. As the session progressed, however, and the general financial depression became more noticeable, it was deemed best, both by the Governor and the Conservation Commission to postpone legislative action for two years longer, because, as Governor McCray stated, "the sentiment throughout the state is not strong enough to insure the passage of the bill at this time."

I wish to assure you that we shall continue our work on this project until the Dunes are saved. Hundreds of thousands of persons now annually visit the Dunes.

Our problem is not, whether we are going to entertain visitors, but what kind of visitors we are going to entertain. I wish to assure you, further, that we are going to continue our work until this recreational centre is brought under State or Federal control and we have a fit playground for ourselves and our families.

I wish also to point out that these recreational centres are rapidly becoming sources of income to State and Nation. Turkey Run last year brought \$50,000 into our State Treasury. Visitors to Florida leave within that state \$10,000,000 more than the net yield of all their citrus crop, and assessed valuations have increased tremendously. I venture the prophecy that within a few years after its creation, the Dunes Park will not only have paid for itself, but will be a source of income to either State or Nation.

Let us, then, do our utmost to bring this cause to the people of each community! If you have not had a Dunes Program, won't you please have one? If you have had one, won't you please have another and invite your Legislators, your teachers and others of influence? This committee will furnish, not only literature for programs, but STEREOPTICON SLIDES, which your program committee can secure merely for the payment of the express charges. At the close of this program, pass a resolution favoring this project and forward it to the chairman of this committee.

Within the next two years let us make every portion of the State acquainted with the Dunes.

HIGHWAYS

Mrs. L. S. Fickenschier, Chairman, So. Bend.

The Lincoln Way passes through three districts of Indiana—Tenth, Thirteenth and Twelfth.

I have no report of any work being accomplished in either the Tenth or Twelfth districts.

The highway passes through three counties of the Thirteenth district—Laporte, St. Joseph and Elkhart. The American Legion of Laporte County has organized a Committee to plant the Lincoln Way, with Mr. A. E. Lonn as chairman. Members of his committee represent churches, fraternal societies and clubs.

Mrs. Alice Mummert, of Goshen, ex-State President of the Federation, became interested in memorial trees and succeeded in interesting the Gamma Tau Sorority which has organized a committee to plant eleven miles of memorial trees in Elkhart County; Miss Thelma Messick, Chairman.

The Nature Study Department of the Progress Club of South Bend planted a group of memorial trees in Kriegbaum Park and presented the park with a stone memorial bench at the cost of one hundred dollars. This gift was presented last Decoration Day with an appropriate ceremony. Mrs. Hugh Dunnahoo, chairman of the Department, presided.

The Legion of St. Joseph County was considering planting memorial trees. Mrs. Joseph E. Neff decided it would be a disgrace to allow our boys to plant memorial trees. She offered her services to organize a committee to do the work. Mrs. Neff is a member of the Progress Club. Each township was assigned a number of trees to sell according to the number of boys who served in the war. The township selling its quota first was given the honor of planting the first tree. Penn township or Mishawaka had that honor. Mrs. Geo. Williams served as chairman and sold 510 trees in six days. The tree was planted Columbus Day for an unknown hero. More than a thousand school children sang patriotic songs while hundreds of citizens witnessed the ceremonies. Mrs. Neff presided and Mrs. Williams with Mrs. President Harding's Memorial tree planting trowel covered the roots of the tree.

All of the trees will be planted before Armistice Day, when a memorial service will be held. The Colfax Memorial mile of the Lincoln Way is being planted by the federated clubs of South Bend—Progress, Woman's Thursday and League of Women Voters.

Federated club women of Michigan are organizing committees to plant the Dixie highway. I hope when they reach the Indiana line we will be able to take up the work and continue it the entire length of Indiana.

My wish for my successor and Lake, Porter, Noble and Allen counties is that you may each have a Mrs. Jos. Neff to come forth and offer her services that we may have a living memorial for the soldiers sailors, and Red Cross nurses from Illinois to Ohio.

I invited Mrs. Neff to come to this Convention and tell you how she accomplished this wonderful work. She could not accept but was kind enough to send a short report.

REPORT ON WATERWAYS

Mrs. M. P. Hollingsworth, Chairman.

The Committee on Waterways has made a strenuous effort to keep in touch with the Ohio Valley Improvement Association and through the kindness of the Vice-President, Mr. J. H. Rosenberger, has received much valuable information which cannot be given in detail in this report.

However, we would like to call your attention to the work accomplished on the Ohio River.

On the 15th of November, Dam No. 48 was opened. There are fourteen (14) more to be constructed. There are no funds for the completion of ten that are planned for.

These dams will make the Ohio navigable practically the twelve months of the year.

The improvement of our inland waterways will tend to lower freight rates and thus enable the farmer, as well as the manufacturer, to get his goods to the market for much less than the present rates.

A meeting of the Waterways Association will be held in Washington January of the coming year and Congress will be asked for an appropriation to continue the development of our inland waterways and any development in the Mississippi Valley means much to Indiana commercially.

Our committee urges every woman in the Federation to inform herself so that she may act intelligently when called upon to use her influence in getting the much needed Federal aid.

The State Committee for the ensuing year will notify you in time for your concerted action.

REPORT OF THE CIVIC COMMITTEE

Mrs. F. L. Ellis, Jeffersonville, Chairman.

The Civic Committee of the State Federation has had a very limited time to work, owing to a delay of several months, in the chairman receiving notification of her appointment. Mis-carried mail was at fault for this delay.

The civic work of the different clubs this year especially has almost merged into one with the legislative committee, as we feel that, with the new suffrage privilege we have, that good sound legislation makes the strongest foundation for civic improvements.

Many of the clubs have conducted classes in citizenship and civics. Public lectures have been given along this line by the most able professors in civics. The women have been urged to exercise their privilege of voting and have been assisted to overcome their timidity by the club women.

We have insisted on more sanitary conditions in our cities. Clean-up weeks have been observed everywhere. Public property has been beautified and rest rooms established.

Playground propaganda has been spread and borne fruit. Moving pictures have been censored and in more than one case sordid and immoral pictures have been withdrawn on complaint of the club women.

Community centers have been established and community meetings and pageants have been held. In several cities, the club women have been successful in promoting the Chautauqua movement, bringing talent and lectures into their communities that could not be obtained otherwise.

In many towns the civic improvement as fostered by the women is only in its infancy, but as giant oaks from little acorns grow, we may expect great things in this line in a few years.

REPORT OF HOME ECONOMICS AND RURAL LIFE COMMITTEE

Miss Mary L. Matthews, Chairman.

Your Committee on Home Economics and Rural Life wishes to submit the following report:

Each member of the committee was asked to present the plan for Girl's Club Work in Indiana at her District Convention, the idea being to urge support of this movement through the county Home Economics chairmen. Miss Grace L. King, State Leader of this work, sent to each member of the committee literature and information concerning the club work and she also assisted the committee whenever help was needed. Eight districts arranged for this to be done—the remaining districts did not respond to letters sent them and no reports have been received by your chairman.

Last year there was a total enrollment of 2,455 girls in sewing, canning, home keeping, baking and cottage cheese clubs in Indiana. The canning club girls alone canned a total of 48,785 quarts of products. The interest and co-operation of women in the communities in which these girls did their work are largely responsible for the success of this work.

The district chairmen were asked to support certain legislation by urging clubs and individual women to write their Senators and Representatives relative to the Fess Vocational Amendment, the Shepherd-Towner bill and any textile legislation that would make for improvement in the grade of textiles it is possible to buy.

Club outlines on Home Economics have been sent to many clubs in the state; large numbers of Home Economics bulletins have been distributed and many letters have been answered by your chairman.

Many clubs in the state have had Home Economics programs during the year. Your chairman has given talks before a number of women's clubs and has spoken at one District Convention.

Only three district chairmen have sent in reports of work done in their district. It is very difficult to get committee members to answer letters and your chairman has had no response from any letters sent to some districts.

This committee feels that its important work is in co-operating with all organized agencies established in the state for the promotion of Home Economics, namely, the schools, colleges and universities, especially with the extension divisions of the State Universities and the State Board of Health and all other associations having to do with the betterment of the home and the child.

While large numbers of women have become interested in "Better Homes for Indiana" yet many more need to be reached and it is through the co-operation and support of club women that this can be done.

REPORT OF PUBLIC HEALTH

Dr. Etta Charles, Chairman.

Dr. Maud McConnell of 2nd District reports increased activities of the Club members along all health lines. Many programs were devoted to health subjects. Doctors and nurses have talked to them on the prevention of disease.

The Modern Health Crusade has been placed in many schools and fresh air rooms provided. The subject of the alarming increase of the mental defective has been widely discussed. Milk stations have been established; also the milk lunch for the school children provided.

Mrs. H. H. Crawford, of the 3rd District, reports the renewed activities of their clubs this year. The milk lunch has become a part of the daily routine of the school children, they have the school nurse, the clubs have interested themselves in the prevention of tuberculosis and other contagious and infectious diseases.

Mrs. Ella Bagot Kehrer reports for the 8th District. The nurses co-operating with the schools, church societies, clubs, parent-teacher association, lodges, tuberculosis association.

All clubs realize we must begin our improvement with the child. One school used 23,000 bottles of milk, 1,200 lbs. of crackers to get their children up to normal. Anderson, thanks to Mrs. Kehrer, has a pair of scales in every school. A nutrition clinic was established in one school; ten sick children 10 to 20 lbs. under weight were taken and given especial care for 10 weeks; beds were placed in an unused room and the children put to bed for a time each day; all gained, 4 went above the normal mark. One father said it was worth \$500.00 to his boy, as all he had been able to do for him had gone for naught. One school served hot soup and hot cocoa at noon; this was prepared by the janitress.

Muncie, Portland, Bluffton, Elwood, Pendleton, Alexandria, all report splendid work in building up the children, keeping them well and preventing contagious diseases.

Dr. Carrie Banning, of the 12th District, reports the women of the 12th District active in all health work. This year they had a health survey for the purpose of bringing all the relief organizations together, and this year they are to have two fresh air schools. They have a traveling dental clinic for the country school children. They have a clinic and a milk station through the summer.

Your Chairman of Public Health has been greatly handicapped this year by absence from the state for several months and by not being able to get in touch with District or County Chairmen through no fault of theirs or ours, but from information gathered by friends from various parts of the state we learn that Gary, South Bend, LaPorte, Elkhart, Huntington, Marion, Kokomo, Connersville, Noblesville, Crawfordsville, Bedford, Richmond, LaFayette, Logansport, Crown Point and many other cities I have not time to mention are doing splendid and wonderful work for the health of the child and community.

Evansville of the 1st District and Indianapolis of the 7th are two particular bright outstanding stars. Indianapolis has 28 school and public nurses. Marion County is doing the most wonderful health work in the U. S. Evansville, with the co-operation of the club women, medical and dental professions, has revolutionized the health of the schools there.

Recommendations:

As all successful measures of prevention of disease must begin with the child I recommend the care of the expectant mother—prenatal care comes first; then the care of the undernourished child in the home, for them you must have the visiting nurse.

The medical and dental examination of all school children, the school nurse, fresh air rooms, the milk lunch and the feeding of all undernourished children.

The visiting nurse for every community. Let us not forget in planning next year's work the alarming increase of the mental defective; the subject needs a campaign of education.

Let us pay our respects to the destructive and disease-bearing rat who annually destroys enough food and property to feed and clothe all the poor within the borders of our country.

Let us not forget that tuberculosis is still taking one out of 7 of our children. Let us not forget that health is wealth, the sweetest boon to man; may every member of the I. F. C. lend her energy to its advancement. Let us have scales in every school for the monthly weighing and measuring of children. Put on a banner Red Cross seal sale campaign and with your 75 per cent of the sales put the Modern Health Crusades and the scales in every school.

REPORT OF THE LEGISLATIVE DEPARTMENT

Committee on Legislation

Mrs. Philip Zoercher, Chairman.

To the Officers and Members of the Indiana Federation of Clubs:

In presenting this, my fourth annual report, to this organization, I realize that much of the effort put forth has failed thus far to bring the anticipated results, and we are forced to the realization that Education is sometimes a slow process.

Our experience, however, has proven very conclusively that you cannot legislate beyond the minds of the best citizens.

Two measures for which our organization has stood consistently since the beginning have been enacted into law, and the 18th and 19th amendments to the United States Constitution stand as monuments to their unceasing labor.

One year ago we presented to you our program consisting of five different measures to which we had committed ourselves to lend our energies—(1) A woman on the Industrial Board; (2) An all-time Health Officer; (3) Better laws for women and children in industrial labor; (4) Child labor and school attendance laws, and (5) The preservation of the sand dunes and other places of historical interest.

The first two of these aims met their usual fate. As to the second measure, we are not at all discouraged and shall renew our campaign with added vigor, realizing that the public health is too great an asset to be much longer neglected as it has been for the sake of the few dollars that it will take to increase the safeguards.

The third, "Better laws for women and children in industrial labor," has made one great stride toward enactment, when a clause was left in the Child Labor Bill which reads as follows: "No boy between the ages of fourteen and sixteen and no

girl between the ages of fourteen and eighteen years shall be employed or permitted to work in any gainful occupation other than farm labor or domestic service more than eight hours in any day, nor more than forty-eight hours in any week, nor more than six days in any one week, nor before the hour of six o'clock in the morning nor after the hour of seven o'clock in the evening of any day." We want it emphatically understood that this organization stands for a limitation of the hours of labor for women, better wages and a chance at some of the better things in life for our working women.

The one act that we have realized almost in full was our fourth measure, "Child labor and school attendance laws," and this will be worth many times the labor it cost to obtain it. This secures the average child a two years' High School course, because the average child completes the eight grades at fourteen years, and gives us at least an 8th grade citizenship, where heretofore the law only required 5 grades.

We feel that some progress was made on the 5th measure, the Sand Dune proposition, and an enlightened citizenship will do the rest.

INDUSTRIAL AND SOCIAL RELATIONS

Edna M. Christian, Chairman.

The members of the committee of women and children in industry feel very happy over the passing of the child labor bill. It was a great step in advance that is being felt all over our State.

REPORT OF THE HOUSING AND CHILD WELFARE

Mrs. Albion Fellows Bacon, Chairman.

As Chairman of this committee, and Chairman also of the official State Commission of Child Welfare, last year, I asked the Federation at our last meeting to put forward no other child welfare legislation except that approved by the Commission. They generously complied, and the result was most gratifying. By co-operation with all interested agencies we won all the bills the Commission asked for.

With the help of the League of Women Voters we won the Child Labor and School Attendance Bill. This gives us a State attendance officer and qualified local officers. We won a bill creating a Juvenile Probation Department, with a State officer and qualified local officers.

We also won an appropriation for a State Housing Inspector, and for the Riley Memorial Children's Hospital. These are great victories.

I ask that every club in the state have one child welfare

program, calling in those who are doing the actual work, to know what is being done for children, baby clinics, etc., in each community.

I also ask that our clubs co-operate with our State Housing Inspector, who is on the staff of the State Board of Health.

OFFICERS AND DELEGATES ATTENDING CONVENTION OCTOBER 19-21, 1921

President—Mrs. E. C. Rumpler, Indianapolis.
First Vice-President—Mrs. Jesse W. Riddle, Lawrenceburg.
Second Vice-President—Mrs. O. M. Pittinger, State School for the
Deaf, Indianapolis.
Corresponding Secretary—Mrs. Samuel M. Grimes, Brazil.

CONSTITUTION AND BY-LAWS OF THE INDIANA FEDERATION OF CLUBS

ARTICLE I

Name

Section 1. The name of this organization shall be "The Indiana Federation of Clubs."

ARTICLE II

Object

Section 2. Its object shall be to bring into relations of mutual helpfulness the various clubs throughout the State in order that they may compare methods of study and work and unite in action to promote public welfare.

ARTICLE III

Membership

Section 1. Clubs numbering ten or more members and having for their object literary, art, musical, educational, philanthropic, civic, social or economic culture, are eligible to membership. Leagues or federations of clubs shall be eligible to membership when three-fourths of the individual clubs of the league or federation are members of the State Federation.

Sec. 2. The application of any club, league or federation for membership in this Federation shall be made in writing to the Membership Committee through the Corresponding Secretary, accompanied by a copy of its constitution and by-laws and a statement of the number of its members.

Sec. 3. If the application shall be approved by a unanimous vote of the Membership Committee the club, league or federation shall then be admitted to membership upon the payment of the annual dues.

Sec. 4. Each club having a membership of fifty or less is entitled to two delegates to the annual meeting, one of whom shall be the President or her appointee. Clubs having more than fifty members are entitled to one delegate for each additional fifty members or fraction thereof. Each delegate shall be entitled to but one vote.

Sec. 5. The ex-Presidents of the "Indiana Union of Literary Clubs," "The Indiana State Federation of Women's Clubs" and "The Indiana Federation of Clubs" shall be honorary members and vested with all the rights and privileges of members.

ARTICLE IV

Officers and Committees

Section 1. The officers shall be a President, a Vice-President, a Second Vice-President, a Recording Secretary, a Corresponding Secretary, a Treasurer and three Trustees. The officers shall constitute the Executive Committee.

Sec. 2. The officers together with the Department Chairmen and District Chairmen shall constitute the Board of Directors.

Sec. 3. The President, Second Vice-President, the Recording Secretary and the Corresponding Secretary shall constitute the Endorsement Committee.

Sec. 4. The officers of the Federation, Chairmen of Departments, Chairmen of Standing Committees, District Chairmen, County Chairman and Presidents of affiliated clubs shall constitute the Council.

Sec. 5. District Club Federations when organized shall be numbered the same as the several congressional districts of the State and include the same counties. The Chairmen of District Federations shall conduct the business of the District Federations in harmony with the plans of the State Federation. Only members of clubs that are members of the State Federation of Clubs are eligible to the office of District Chairman, although other clubs may belong to the District Federation.

Sec. 6. County Federations when organized shall elect their own Chairman. In counties not organized the District Chairman shall appoint a County Chairman.

Sec. 7. County Federations shall be the same as District Federations.

Sec. 8. No person shall hold more than one office in the State Federation at the same time, and no officer except Trustee shall be eligible to re-election.

Sec. 9. No two officers except the President and Corresponding Secretary shall be chosen from the same town unless the district comprises but one county.

ARTICLE V

Section 1. The Departments of Work shall be Education, Conservation and Legislation.

ARTICLE VI

Meetings

Section 1. (a) The annual convention of the Indiana Federation of Clubs shall be held at the time and place selected by the Federation at the previous convention.

(b) Notice of all annual meetings, stating the time and place, shall be mailed to the Secretary of each club at least thirty days prior to the holding of the same.

Sec. 2. The Executive Committee shall meet quarterly and the Board of Directors upon the call of the President or three members thereof.

Sec. 3. The Council may meet semi-annually.

ARTICLE VII

Section 1. All elections shall take place at the annual convention. Officers shall be elected for two years. The President, Second Vice-President and Corresponding Secretary shall be elected at the Conventions held in the odd years of the calendar. The First Vice-President, Recording Secretary and Treasurer shall be elected at the Conventions held in the even years. The Trustees shall be elected for a term of three years; one shall be elected annually. The club year shall begin the day following the close of the annual convention, and all officers shall enter upon their duties at that time.

Sec. 2. Nominations shall be made from the floor on the first morning of the annual convention. The election shall be by Australian ballot.

Sec. 3. A plurality vote of accredited delegates, members of the Council, chairmen of standing committees and honorary members shall constitute an election. There shall be no voting by proxy.

Sec. 4. Each District Federation shall elect annually a Chairman, Vice-Chairman and Secretary-Treasurer and appoint committees in harmony with the plan of the State organization.

Sec. 5. In case of vacancy in any elective office the Executive Committee shall fill the same by appointment for the unexpired term of office.

ARTICLE VIII

Section 1. An Indiana Director of the General Federation of Women's Clubs shall be nominated for a term of two years at the annual convention held in the odd year of the calendar, and she shall by virtue of her office be a member of the Executive Committee of the Indiana Federation of Clubs.

ARTICLE IX

Section 1. At an annual meeting representation from one-fourth of the constituent clubs shall constitute a quorum.

Sec. 2. At a meeting of the Executive Committee five members shall constitute a quorum.

Sec. 3. At a meeting of the Board of Directors nine members shall constitute a quorum.

Sec. 4. At a meeting of the Council fifteen members shall constitute a quorum.

ARTICLE X

Amendments

Section 1. This constitution may be amended at any annual meeting of the Federation by a two-thirds vote, the proposed amendments having been submitted in writing to the Executive Committee and notices and copies of the same appended to the call of the meeting; or without such notice by unanimous vote.

Sec. 2. By-laws may be adopted, amended, suspended or repealed at any annual meeting of the Federation by a two-thirds vote.

BY-LAWS

ARTICLE I

Duties of Officers

Section 1. The President shall preside at all meetings of the Federation, Executive Committee and Council. She shall be ex-officio a member of all committees.

Sec. 2. The Vice-Presidents in the order of their election shall preside in the absence of the President. The First Vice-President shall be Chairman of the District Chairmen and shall preside at the meetings of the Board of Directors. The Second Vice-President shall be Chairman of Club Extension.

Sec. 3. The Recording Secretary shall keep an accurate record of the minutes of the annual meeting, also of all sessions of the Executive Committee, the Board of Directors and the Council. She shall be custodian of all records, bills, papers and property not otherwise provided for and shall keep a complete roster of all clubs belonging to the Federation. She shall draw and sign all warrants upon the Treasurer after bills have been approved by the Trustees. She shall, as soon as possible after the annual convention, prepare for printing a Year Book containing the proceedings of the convention and a list of the delegates with the name of the club represented, a complete directory of the Federation, including Club Directory, the Constitution and By-Laws of the Indiana Federation of Clubs, and such other matters as the Executive Committee may direct. When published she shall mail one copy of the Year Book to each officer, Department Chairman, District Chairman, County Chairman and Committee Chairman and two copies to each constituent club and to any other persons to whom the Executive Committee may direct.

Sec. 4. The Corresponding Secretary shall conduct the correspondence of the Federation, the Executive Committee, the

Board of Directors and the Council. She shall send out all notices and calls for meetings, shall apprise committees of their appointment and notify clubs of their acceptance. She shall make a roll of all clubs which have paid their annual dues and are entitled to be represented at the annual convention or at special meetings. She shall make a roll of all entitled to vote and present the same to the Election Board before the balloting takes place. She shall issue credentials to all delegates and co-operate with the Credentials Committee in the filing of same. She shall compile the club directory for the Year Book.

Sec. 5. The Treasurer shall be the custodian of all the funds of the Indiana Federation of Clubs. She shall receive and receipt for same and shall make disbursements according to warrants drawn by the Recording Secretary. She shall deposit the funds in a bank approved by the Trustees. Special funds shall be kept separate and so deposited. She shall pay all warrants by check or draft, keep a record of all receipts and disbursements and file all vouchers. She shall give bond in such sum as the Trustees shall designate.

Sec. 6. The General Federation Director shall conduct the correspondence with clubs relating to the General Federation as prescribed in the General Federation by-laws.

Sec. 7. The books and reports of the Recording Secretary, the Treasurer and the Trustees shall be submitted annually for audit to a public auditing firm to be designated by the Executive Committee.

Sec. 8. The Trustees shall have charge of all the financial business of the Indiana Federation of Clubs. They shall have charge of and administer the affairs of the Educational Loan Fund and the Endowment Fund. They shall make all purchases and let all contracts for printing, stationery and supplies generally. They shall approve all bills against the Federation and issue all orders to the Recording Secretary for warrants drawn on the Treasurer.

Sec. 9. All officers shall make a full report at the annual convention and upon retiring from office shall deliver to their respective successors all papers, records, books, accounts, money or other property belonging to the Federation. All reports shall be deposited with the Recording Secretary in abbreviated form for printing in the Year Book. All bills shall be sent in duplicate to the Chairman of Trustees semi-annually, the first of April and the first of October. All bills shall be presented before the close of the annual convention.

Sec. 10. Chairmen of departments shall keep a full record of the work done in their departments, and shall turn same over to their successors within one month after their appointment.

ARTICLE II

Executive Committee

Section 1. The Executive Committee shall formulate and announce all policies of the Federation, approve all committees and establish such committees from time to time as in its judgment is deemed wise; shall transact routine business between annual meetings, and shall make a full report thereof at each annual meeting of the Federation.

ARTICLE III

Board of Directors

Section 1. The Board of Directors shall, through the various committees, promote the policies determined upon by the Executive Committees.

ARTICLE IV

Council

Section 1. The Council shall consider such matters as shall be presented by affiliated clubs or District Federations, recommending to the Executive Committee such as may be deemed advisable.

ARTICLE V

Dues

Section 1. The annual dues of each club of fifty members or less shall be \$3.00. For each additional fifty members (or fraction thereof) an additional dollar shall be paid. The annual dues of leagues and federations shall be \$3.00 for those having an aggregate membership of fifty or less, plus \$1.00 for each additional fifty members or fraction thereof.

Sec. 2. Dues shall be payable January 1st, and if unpaid at the time of the Annual Convention shall be delinquent and the club not entitled to representation in the Convention.

ARTICLE VI

Expenditures

Section 1. All necessary expenses incurred by officers in the service of the Federation may be refunded from the general treasury by order of the Trustees.

ARTICLE VII

Biennial Delegates

Section 1. The President and the General Federation Director shall by virtue of their offices be delegates from the Indiana Federation of Clubs to the biennial convention of the General Federation of Women's Clubs.

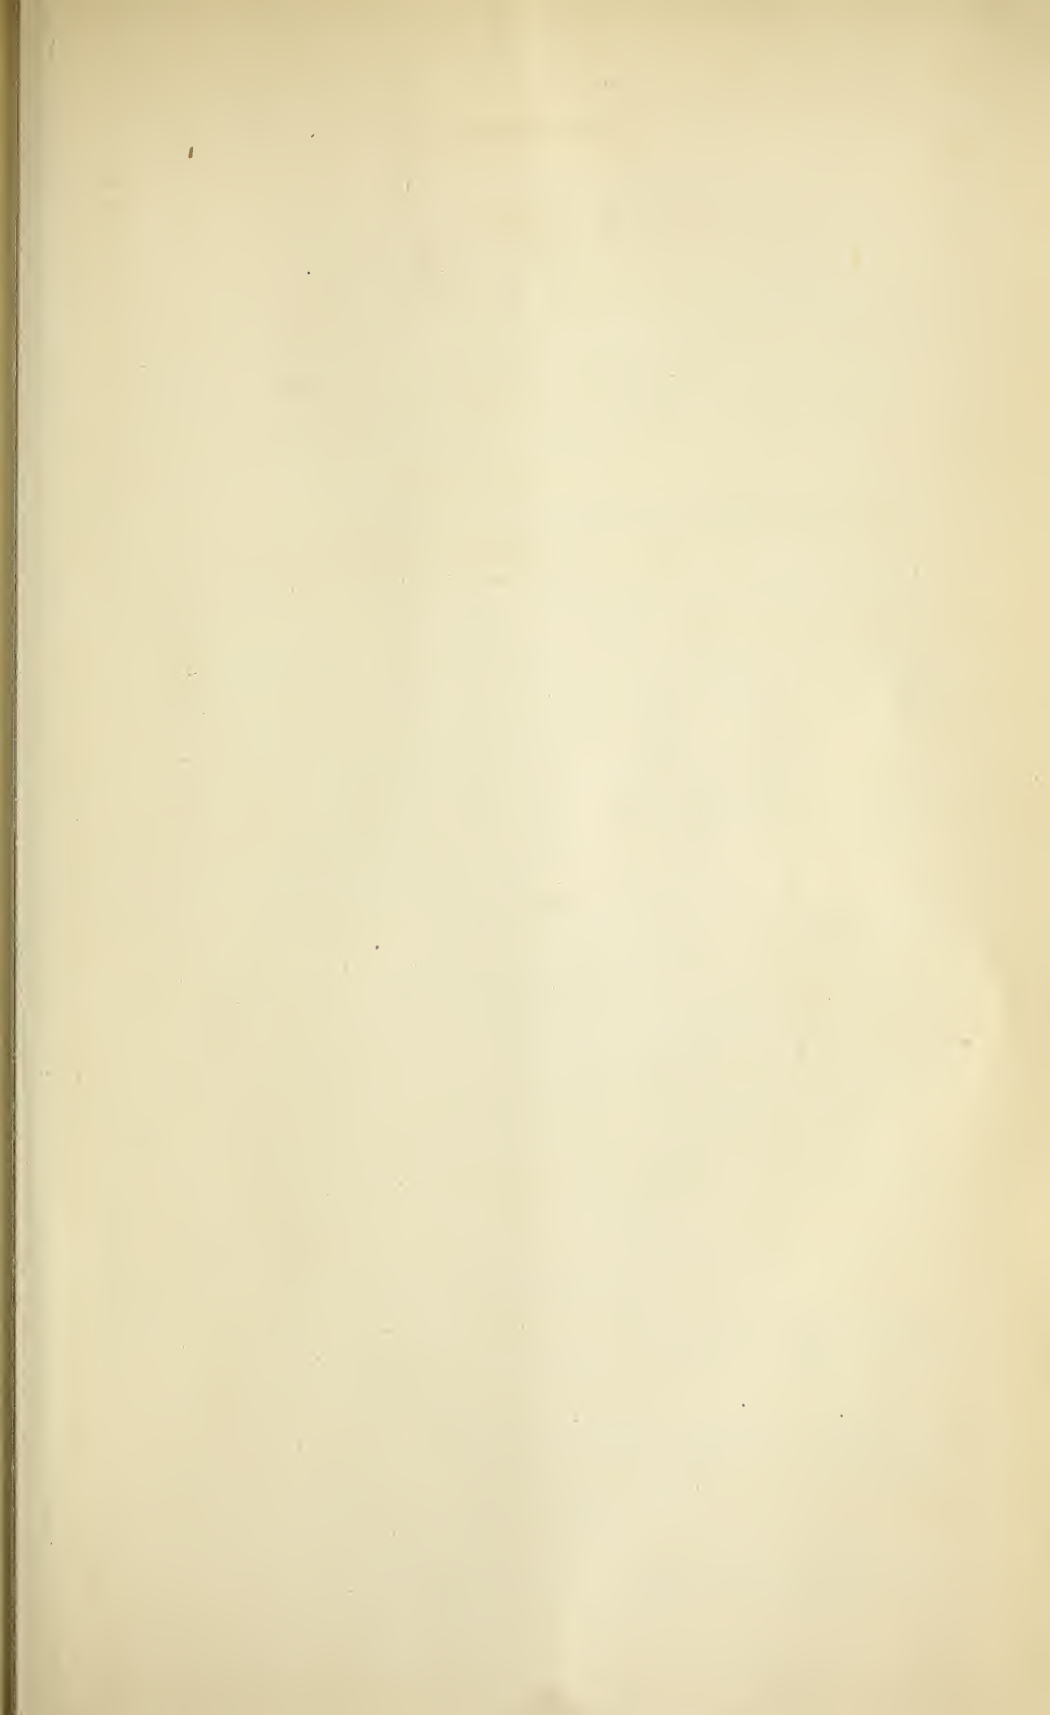

ARTICLE VIII

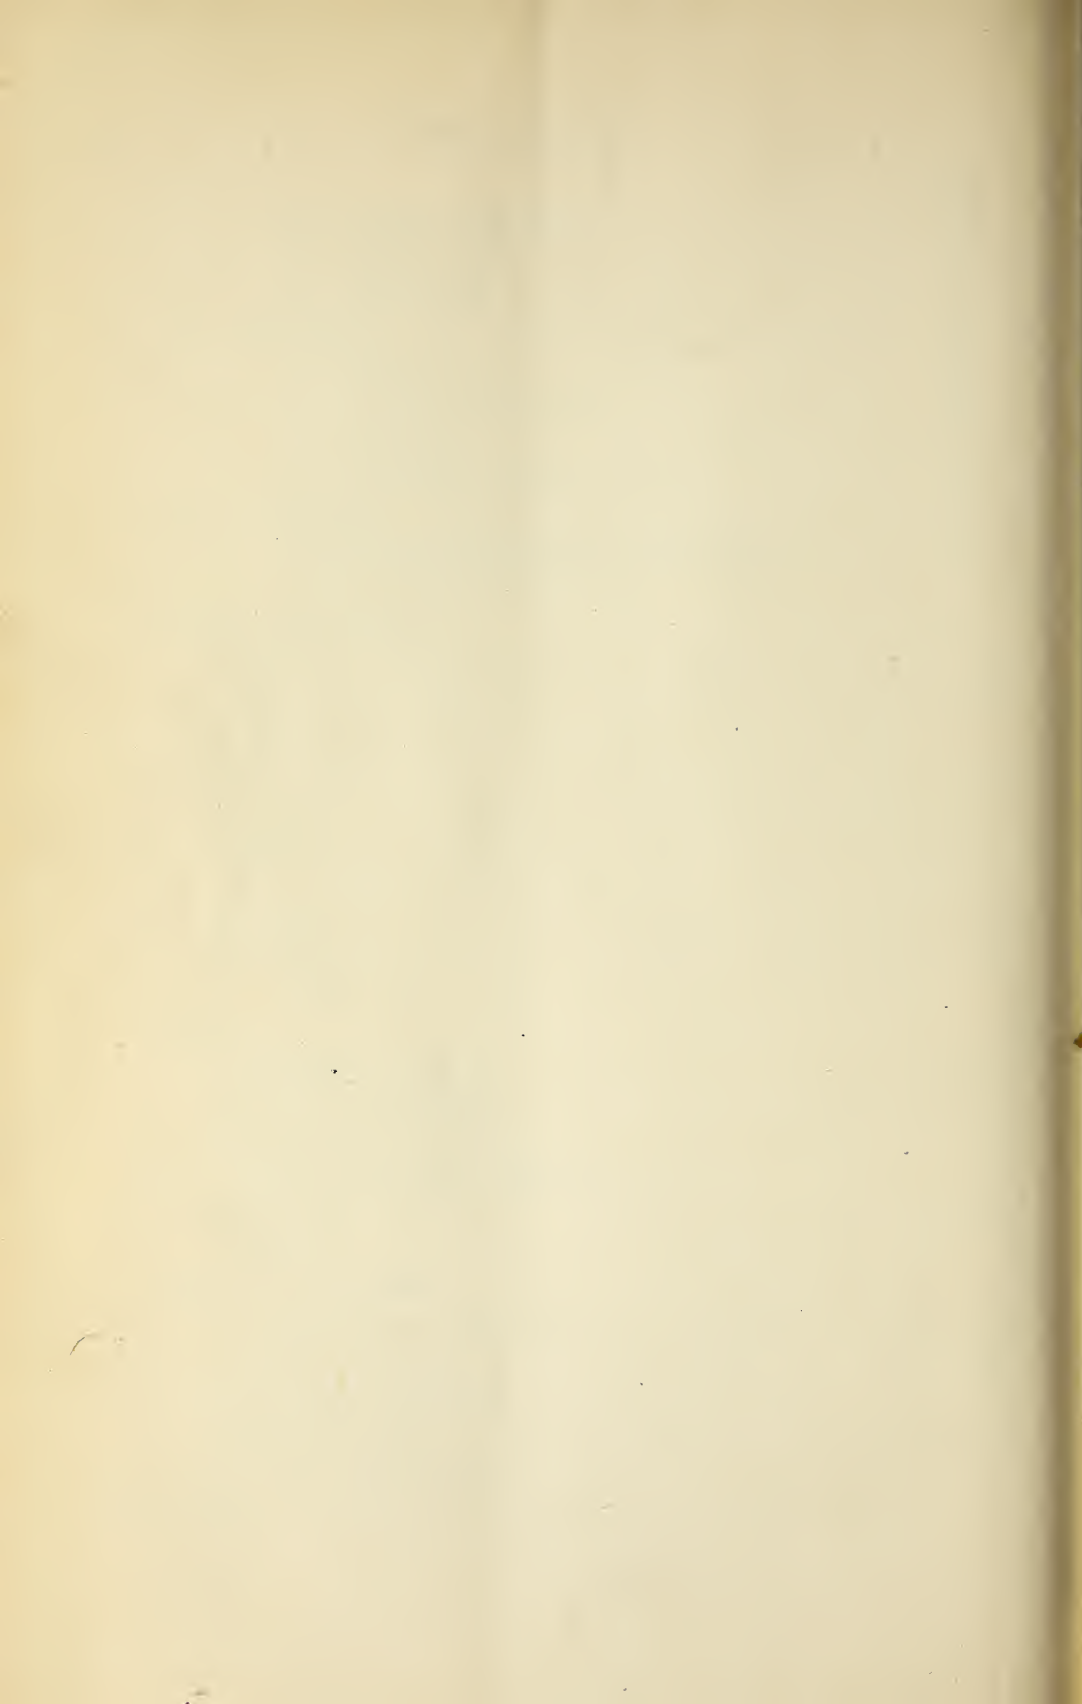

Section 1. All meetings of the Indiana Federation of Clubs shall be conducted according to Roberts' Rules of Order.

ARE YOUR CHILDREN HAPPY?

“A fig-tree looking on a fig-tree becometh fruitful,” says an ancient Arabian proverb. And so it is with children; their greatest instructor is *example*.

Children have more need of models than critics.

Patience in great abundance, a lovely disposition, high ideals and a clean moral character are required to teach by example. And it is upon this rock that we have built our schools of dancing.

A teacher of dancing should be judged *by these attributes*.

Developing strong healthy children—improving children’s mental conditions—making them happy and interesting—these are the things we have accomplished with other Club Members’ children. A letter giving facts—*proof*—and full information about terms, tuition and rules is yours for the asking.

Cole Aero- EIGHT

MODEL 890

THE great flexibility of its motor, its low throttling power, the extreme softness of the clutch action, and the unusual positiveness of the oversize brakes makes the *Eight-Ninety* the ideal car for a woman to drive. She could not find a safer car or a car easier to operate.

—and people turned to look at HER!

Her face simply compelled admiration—not a blemish—skin so alluring. People who knew Boncilla, pronounced it a “Boncilla Face,” for Boncilla produces just such faces.

Under its exhilarating influence, lines, blackheads and pimples disappear; enlarged pores close naturally; drooping tissues take new life—a peculiar velvetness of the skin is noticed, through which a wondrous natural glow fairly radiates.

You owe it to yourself to feel, see and know

Distinction—

Without Difference—of Price

We often hear these remarks in our store—"How I wish I had come here and bought all of my decorations, draperies and rugs. Your prices are no higher than those I paid elsewhere, and yet your materials are so much more attractive and artistic than mine. I made a serious mistake in not consulting with your decorators before making my decision."

Our prices are just and right and are no higher than those asked for the same materials by any reputable dealer.

We sell only that which is absolutely dependable and up in every respect to the COPPOCK standard.

Our service extends everywhere—just advise us when and where you would like our representative to call to assist you in any decorative problem.
